

Control Number 3037-0002). The information included on the forms is required to ensure that nonprofit agencies that participate in the Committee's Program meet the requirements of the Javits-Wagner-O'Day Act (JWOD), 41 U.S.C. 8105-8506. The Committee intends to combine the two current forms in a revised and expanded format, so that the Committee can continue to verify the appropriateness of nonprofit agencies that would like to participate in the AbilityOne Program.

In response to the agency's 60-day notice published in the **Federal Register** of May 15, 2015, in FR Doc. 2015-11754, on page 27930 (informing the public of the intent to revise and expand the current forms), a comment was received with concerns of the ability of board members to be able to certify the information being on the form, objecting to the use of the term competitive placements, objecting to the reference to 2 CFR part 230, and the accuracy of the burden estimate.
