Environmental Site Review

PacifiCorp and the Commission staff will conduct a project Environmental Site Review beginning at 9:00 a.m. (MDT) on Wednesday, October 7, 2015. All interested individuals, organizations, and agencies are invited to attend; however, anyone planning to attend should notify Miriam Hugentobler at miriam.hugentobler@gmail.com by September 21, 2015. All participants should meet at the Weber Hydroelectric Project recreation site parking lot (see SD1 for directions). All participants are

responsible for their own transportation to the site.

Objectives

At the scoping meetings, the staff will: (1) Summarize the environmental issues tentatively identified for analysis in the APEA; (2) solicit from the meeting participants all available information, especially quantifiable data, on the resources at issue; (3) encourage statements from experts and the public on issues that should be analyzed in the APEA, including viewpoints in opposition to, or in support of, the staff's preliminary views; (4) determine the resource issues to be addressed in the APEA; and (5) identify those issues that require a detailed analysis, as well as those issues that do not require a detailed analysis.

Procedures

The meetings will be recorded by a stenographer and will become part of the formal record of the Commission proceeding on the project.

Individuals, organizations, and agencies with environmental expertise and concerns are encouraged to attend the meetings and to assist PacifiCorp in defining and clarifying the issues to be addressed in the APEA.
