### Citric Acid and Certain Citrate Salts from the People's Republic of China: Rescission of Countervailing Duty Administrative Review; 2014

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**DATES:** *Effective Date:* October 2, 2015.

**FOR FURTHER INFORMATION CONTACT:** Elizabeth Eastwood, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-3874.

#### SUPPLEMENTARY INFORMATION:

#### Background

On May 1, 2015, the Department published in the **Federal Register** a notice of "Opportunity to Request Administrative Review" of the countervailing duty order on citric acid and certain citrate salts (citric acid) from the People's Republic of China (PRC) for the period of January 1, 2014, through December 31, 2014.<sup>1</sup> In May and June 2015, the Department received timely requests,<sup>2</sup> in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213(b), for an administrative review of this countervailing duty order from the Archer Daniels Midland Company, Cargill, Incorporated, and Tate & Lyle Ingredients Americas LLC (collectively, "the petitioners"); Laiwu Taihe Biochemistry Co., Ltd. (Taihe); and RZBC Co., Ltd./RZBC Import & Export Co., Ltd./RZBC (Juxian) Co., Ltd. (collectively, "RZBC Group").<sup>3</sup> On July 1, 2015, the Department published in the **Federal Register** a notice of initiation with respect to Taihe and RZBC Group.<sup>4</sup>

<sup>1</sup> See *Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request Administrative Review*, 80 FR 24898 (May 1, 2015).

<sup>2</sup> Because the last day of the anniversary month fell on a weekend, we note that the last day parties could timely request an administrative review of orders with May anniversary dates was June 1, 2015. Therefore, the petitioners' review request dated June 1, 2015, was timely filed.

<sup>3</sup> See letters requesting an administrative review from the Taihe, RZBC Group, and the petitioners, dated May 28, May 29, and June 1, 2015, respectively.

<sup>4</sup> See *Initiation of Antidumping Duty Administrative Reviews*, 80 FR 37588 (July 1, 2015).

In July 2015, the petitioners, Taihe, and RZBC Group withdrew their administrative review requests.<sup>5</sup>

### Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an administrative review, in whole or in part, if a party that requested a review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review. The petitioners, Taihe, and RZBC Group each withdrew their requests for review by the 90-day deadline. Therefore, we are rescinding the administrative review of the countervailing duty order on citric acid from the PRC covering the period January 1, 2014, through December 31, 2014.

### Assessment

The Department will instruct U.S. Customs and Border Protection (CBP) to assess countervailing duties on all appropriate entries. Countervailing duties shall be assessed at rates equal to the cash deposit of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions directly to CBP 15 days after the date of publication of this notice in the **Federal Register**.

### Notification Regarding Administrative Protective Order

This notice serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This notice is published in accordance with section 751 of the Act and 19 CFR 351.213(d)(4).

Dated: September 25, 2015.

### Circular Welded Carbon Steel Pipes and Tubes From Thailand: Final Results of Antidumping Duty Administrative Review; 2013–2014

**AGENCY:** Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce.

**SUMMARY:** On April 6, 2015, the Department of Commerce (Department) published its preliminary results of the administrative review of the antidumping duty order on circular welded carbon steel pipes and tubes from Thailand covering the period of review (POR) March 1, 2013, through February 28, 2014.<sup>1</sup> This review covers two producers and/or exporters of the subject merchandise, Saha Thai Steel Pipe (Public) Company, Ltd. (Saha Thai), and Pacific Pipe Company Limited (Pacific Pipe). For the final results, we continue to find that Saha Thai and Pacific Pipe did not sell subject merchandise to the United States at below normal value during the POR. The final results are listed in the section entitled “Final Results of Review” below.

**DATES:** *Effective date:* October 2, 2015

**FOR FURTHER INFORMATION CONTACT:** Nicholas Czajkowski at (202) 482–1395; AD/CVD Operations, Office VII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230.

### SUPPLEMENTARY INFORMATION:

#### Background

On August 12, 2015, we invited parties to comment on the *Preliminary Results*. Saha Thai submitted a case brief on August 20, 2015. No other parties submitted case briefs or rebuttal briefs for this proceeding.

The Department conducted this administrative review in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act).

#### Scope of the Order

The products covered by the antidumping order are certain circular welded carbon steel pipes and tubes from Thailand. The subject merchandise has an outside diameter of 0.375 inches

or more, but not exceeding 16 inches. These products, which are commonly referred to in the industry as “standard pipe” or “structural tubing” are hereinafter designated as “pipes and tubes.” The merchandise is classifiable under the Harmonized Tariff Schedule of the United States (HTSUS) item numbers 7306.30.1000, 7306.30.5025, 7306.30.5032, 7306.30.5040, 7306.30.5055, 7306.30.5085 and 7306.30.5090. Although the HTSUS subheadings are provided for convenience and purposes of U.S. Customs and Border Protection (CBP), the written description of the merchandise subject to the order is dispositive.

### Analysis of Comments Received

We have analyzed the comments submitted by Saha Thai. In its case brief, Saha Thai made several arguments objecting to the Department’s differential pricing analysis. The Department has used the standard A-to-A method to calculate Saha Thai’s weighted-average dumping margin (unchanged from the *Preliminary Results*).<sup>2</sup> Therefore, it is not necessary to address the comments raised by Saha Thai in a separate Issues and Decision Memorandum.

### Changes Since the Preliminary Results

We made changes to Pacific Pipe’s calculation for the final results. Specifically, we (1) used updated sales and cost of production databases, (2) adjusted the home market sales cost of production databases based on minor corrections at verification, (3) revised Pacific Pipe’s reported per-unit costs to correspond to the reported total cost of manufacturing of the merchandise under consideration, and (4) revised Pacific Pipe’s general and administrative expense rate.<sup>3</sup> We made no changes to Saha Thai’s calculations.
