DFAS maintains updated debt accounts and initiates debt collection action for separated military members, out-of-service civilian employees, and other individuals not on an active federal government payroll system. When notice is received that an individual debtor is deceased, an effort is made to ascertain whether the decedent left an estate by contacting clerks of probate courts. If it is determined that an estate was established, attempts are made to collect the debt from the estate. If no estate appears to have been established, the debt is written off as uncollectible.
