## 14 CFR Part 97

[Docket No. 31037; Amdt. No. 3661]

**Standard Instrument Approach Procedures, and Takeoff Minimums and Obstacle Departure Procedures; Miscellaneous Amendments****AGENCY:** Federal Aviation Administration (FAA), DOT.**ACTION:** Final rule.

**SUMMARY:** This rule establishes, amends, suspends, or removes Standard Instrument Approach Procedures (SIAPs) and associated Takeoff Minimums and Obstacle Departure Procedures (ODPs) for operations at certain airports. These regulatory actions are needed because of the adoption of new or revised criteria, or because of changes occurring in the National Airspace System, such as the commissioning of new navigational facilities, adding new obstacles, or changing air traffic requirements. These changes are designed to provide safe and efficient use of the navigable airspace and to promote safe flight operations under instrument flight rules at the affected airports.

**DATES:** This rule is effective October 15, 2015. The compliance date for each SIAP, associated Takeoff Minimums, and ODP is specified in the amendatory provisions.

The incorporation by reference of certain publications listed in the regulations is approved by the Director of the **Federal Register** as of October 15, 2015.

**ADDRESSES:** Availability of matters incorporated by reference in the amendment is as follows:

*For Examination*

1. U.S. Department of Transportation, Docket Ops-M30, 1200 New Jersey Avenue SE., West Bldg., Ground Floor, Washington, DC 20590-0001.

2. The FAA Air Traffic Organization Service Area in which the affected airport is located;

3. The office of Aeronautical Navigation Products, 6500 South MacArthur Blvd., Oklahoma City, OK 73169 or,

4. The National Archives and Records Administration (NARA). For information on the availability of this material at NARA, call 202-741-6030, or go to: [http://www.archives.gov/federal\\_register/code\\_of\\_federal\\_regulations/ibr\\_locations.html](http://www.archives.gov/federal_register/code_of_federal_regulations/ibr_locations.html).

*Availability*

All SIAPs and Takeoff Minimums and ODPs are available online free of charge. Visit the National Flight Data Center at [nfdc.faa.gov](http://nfdc.faa.gov) to register. Additionally, individual SIAP and Takeoff Minimums and ODP copies may be obtained from the FAA Air Traffic Organization Service Area in which the affected airport is located.

Box 25082, Oklahoma City, OK 73125) Telephone: (405) 954-4164.

**SUPPLEMENTARY INFORMATION:** This rule amends Title 14 of the Code of Federal Regulations, Part 97 (14 CFR part 97), by establishing, amending, suspending, or removes SIAPs, Takeoff Minimums and/or ODPS. The complete regulatory description of each SIAP and its associated Takeoff Minimums or ODP for an identified airport is listed on FAA form documents which are incorporated by reference in this amendment under 5 U.S.C. 552(a), 1 CFR part 51, and 14 CFR part § 97.20. The applicable FAA forms are FAA Forms 8260-3, 8260-4, 8260-5, 8260-15A, and 8260-15B when required by an entry on 8260-15A.

The large number of SIAPs, Takeoff Minimums and ODPs, their complex nature, and the need for a special format make publication in the **Federal Register** expensive and impractical. Further, airmen do not use the regulatory text of the SIAPs, Takeoff Minimums or ODPs, but instead refer to their graphic depiction on charts printed by publishers of aeronautical materials. Thus, the advantages of incorporation by reference are realized and publication of the complete description of each SIAP, Takeoff Minimums and ODP listed on FAA form documents is unnecessary. This amendment provides the affected CFRs and specifies the types of SIAPs, Takeoff Minimums and ODPs with their applicable effective dates. This amendment also identifies the airport and its location, the procedure, and the amendment number.

**Availability and Summary of Material Incorporated by Reference**

The material incorporated by reference is publicly available as listed in the **ADDRESSES** section.

The material incorporated by reference describes SIAPs, Takeoff Minimums and/or ODPS as identified in the amendatory language for part 97 of this final rule.

**The Rule**

This amendment to 14 CFR part 97 is effective upon publication of each separate SIAP, Takeoff Minimums and ODP as Amended in the transmittal. Some SIAP and Takeoff Minimums and textual ODP amendments may have been issued previously by the FAA in a Flight Data Center (FDC) Notice to Airmen (NOTAM) as an emergency action of immediate flight safety relating directly to published aeronautical charts.

The circumstances that created the need for some SIAP and Takeoff Minimums and ODP amendments may require making them effective in less than 30 days. For the remaining SIAPs and Takeoff Minimums and ODPs, an effective date at least 30 days after publication is provided.

Further, the SIAPs and Takeoff Minimums and ODPs contained in this amendment are based on the criteria contained in the U.S. Standard for Terminal Instrument Procedures (TERPS). In developing these SIAPs and Takeoff Minimums and ODPs, the TERPS criteria were applied to the conditions existing or anticipated at the affected airports. Because of the close and immediate relationship between these SIAPs, Takeoff Minimums and ODPs, and safety in air commerce, I find that notice and public procedure under 5 U.S.C. 553(b) are impracticable and contrary to the public interest and, where applicable, under 5 U.S.C 553(d), good cause exists for making some SIAPs effective in less than 30 days.

The FAA has determined that this regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. It, therefore—(1) is not a “significant regulatory action” under Executive Order 12866; (2) is not a “significant rule” under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a regulatory evaluation as the anticipated impact is so minimal. For the same reason, the FAA certifies that this amendment will not have a significant economic impact on a substantial

number of small entities under the criteria of the Regulatory Flexibility Act.

### 24 CFR Part 203

[Docket No. FR-5823-IA-01]

#### Federal Housing Administration (FHA): Court of Competent Jurisdiction To Foreclose Liens on FHA-Owned Properties

**AGENCY:** Office of the General Counsel, HUD.

**ACTION:** Interpretive rule.

**SUMMARY:** The Federal Housing Administration (FHA) generally acquires title to single family properties when it pays mortgage insurance benefits to approved mortgagees. FHA's activities in managing and marketing the properties it acquires include paying real estate taxes referred to as *ad valorem* taxes (a tax based on the value of the property) and special assessments. For properties in condominiums or planned unit developments, FHA also pays homeowners' association or condominium association fees. During the period over which an insured lender forecloses and FHA becomes the owner of the property, taxes or other fees may become due and payable. With lenders conveying close to 100,000 properties annually to FHA, bills for taxes and fees may be past due and payable at the time

of FHA's acquisition and suits are brought for payment of taxes and fees. This rule provides HUD's interpretation of the "sue and be sued" clause contained in section 1, Title I of the National Housing Act. This rule provides that, in the case of an action brought against HUD to foreclose on a lien arising out of unpaid taxes or fees, the term "court of competent jurisdiction" as used in section 1 of the National Housing Act refers to a United States District Court. In conjunction with this interpretive rule, HUD is providing, by separate notices published in today's **Federal Register**, direction to taxing authorities and other entities owed money as to the proper Point of Contact (POC) at HUD for seeking payment. In the unlikely event that payment is not timely made, the entity can bring an action under the Quiet Title Act in the appropriate United States District Court to foreclose on its lien interest in the property.

**DATES:** *Effective Date:* October 15, 2015.

**FOR FURTHER INFORMATION CONTACT:** Bruce S. Albright, Senior Trial Attorney and Litigation Risk Advisor, Office of Litigation, Office of General Counsel, Department of Housing and Urban Development, 451 7th Street SW., Room 10258, Washington, DC 20410-8000; telephone number 202-708-0300 (this is not a toll-free number). #### SUPPLEMENTARY INFORMATION:

##### I. Background

Under FHA's single family mortgage insurance program, FHA took title to approximately 94,500 properties in Fiscal Year (FY) 2012 by paying insurance claims to approved mortgagees. In recouping its losses to the Mutual Mortgage Insurance Fund (MMIF), FHA manages and markets these properties through contractors.

There is a time lag between a mortgagee initiating and completing the foreclosure of a defaulted insured mortgage and FHA acquiring and managing the property. Taxes or Homeowners Association (HOA) or Condominium Association (CA) fees, or fees for special assessments may come due and payable at the time when the property is being conveyed to FHA (or shortly thereafter) for the insurance benefits. HUD issued Mortgagee Letter 2013-18 on May 31, 2013, addressing unpaid tax and association fees.<sup>1</sup> This Mortgagee Letter may reduce, but not

entirely eliminate, problems FHA has faced with unpaid taxes and fees when FHA takes title to single family properties. Correspondence regarding tax and other property charges and assessments are presently sent to a myriad of addresses—either to FHA's headquarters and field offices across the nation, or to the contractors handling the management of the FHA properties.

If a taxing authority, HOA, CA, or special assessment entity is unable to obtain payment of the amounts due after sending out notices and contacting FHA offices and contractors, its alternative has been to perfect a lien under applicable local law and then attempt to enforce the lien against the HUD owned property by foreclosing the lien on the property. Normally, absent the involvement of a Federal agency, this is accomplished under a state court procedure, which varies greatly from jurisdiction to jurisdiction as to the time period in which to respond to the summons and complaint, as well as upon who service is required to be made. HUD's involvement as a Federal government agency, however, means that the proper venue should be in Federal District Court. On occasion, when actions are brought in state court, the government's interest cannot be determined quickly enough for a U.S. Attorney's Office to timely respond to a complaint that seeks to foreclose FHA's ownership interest in a property. If the property is taken by the taxing authority or other entity, FHA must expend time and resources to recover the property, and may even lose its ability to recoup its insurance losses to the Mutual Mortgage Insurance Fund (MMIF).

##### II. This Interpretive Rule

###### A. Introduction

This interpretive rule clarifies HUD's longstanding position on the question of what is meant by the term "court of competent jurisdiction" in the "sue and be sued" clause contained in section 1, Title I of the National Housing Act (NHA) (12 U.S.C. 1702). The purpose of this clarification is to assist FHA to efficiently manage its real estate owned (REO) inventory and ensure prompt payment for taxes and other fees and assessments. The purpose is also to protect FHA's MMIF assets, which include acquired single family properties.<sup>2</sup> By accompanying notices in

<sup>1</sup> See <http://portal.hud.gov/hudportal/documents/huddoc?id=13-18ml.pdf>.

<sup>2</sup> Section 202(a)(3) of the National Housing Act (12 U.S.C. 1708(a)(3)) imposes a fiduciary duty on the Secretary to protect the Mutual Mortgage Insurance Fund. Section 4(b) of the Department of HUD Act (42 U.S.C. 3533(b)) requires the Secretary to hold FHA managers responsible for protecting federal assets and performing risk management.
