Self-Regulatory Organizations; BATS Y-Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend Rule 11.24, Retail Price Improvement Program

October 21, 2015.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on October 14, 2015, BATS Y-Exchange, Inc. (the “Exchange” or “BYX”) filed with the

Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Exchange has designated this proposal as a “non-controversial” proposed rule change pursuant to Section 19(b)(3)(A) of the Act³ and Rule 19b-4(f)(6) thereunder,⁴ which renders it effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of the Substance of the Proposed Rule Change

The Exchange filed a proposal to amend Rule 11.24, which governs the Exchange’s Retail Price Improvement Program (“Retail Program”), to distinguish between retail orders routed on behalf of other broker-dealers and retail orders that are routed on behalf of introduced retail accounts that are carried on a fully disclosed basis, as further described below.

The text of the proposed rule change is available at the Exchange’s Web site at www.batstrading.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend Rule 11.24, which governs the Exchange’s Retail Program,⁵ to distinguish between orders routed on behalf of other broker-dealers and orders

routed on behalf of introduced retail accounts that are carried on a fully disclosed basis, as further described below.

The Exchange established the Retail Program in an attempt to attract retail order flow to the Exchange by potentially providing price improvement to such order flow. Under the Retail Program, Retail Member Organizations⁶ (“RMOs”) are permitted to submit Retail Orders.⁷ All Exchange Users⁸ are permitted members to submit Retail Price Improvement Orders (“RPI Orders”),⁹ which are designed to provide potential price improvement for Retail Orders in the form of non-displayed interest that is better than the national best bid that is a Protected Quotation (“Protected NBB”) or the national best offer that is a Protected Quotation (“Protected NBO”, and together with the Protected NBB, the “Protected NBBO”).¹⁰ In addition, RMOs may optionally designate Retail Orders to be identified as Retail on the Exchange’s proprietary data feeds.¹¹

Exchange Rule 11.24(b)(1) currently states that “[t]o qualify as a Retail Member Organization, a Member must conduct a retail business or *handle* retail orders on behalf of another broker-dealer.”¹² Rather than stating that one way to qualify as an RMO is to “handle” retail orders on behalf of another broker-dealer, the Exchange proposes to state that a Member may qualify as an RMO if it “routes” retail orders on behalf of another broker-dealer. The Exchange believes that providing routing services on behalf of other broker-dealers with retail order flow was the intended meaning of the provision and that the term “handle” is vague. Thus, the Exchange believes that the description

⁶ A Retail Member Organization is a Member (or a division thereof) that has been approved by the Exchange under Rule 11.24 to submit Retail Orders.

⁷ A Retail Order is an agency order that originates from a natural person and is submitted to the Exchange by a RMO, provided that no change is made to the terms of the order with respect to price or side of market and the order does not originate from a trading algorithm or any computerized methodology.

⁸ A “User” is defined “as any member or sponsored participant who is authorized to obtain access to the System.” See Rule 1.5(cc).

⁹ A “Retail Price Improvement Order” is defined in Rule 11.24(a)(3) as an order that consists of non-displayed interest on the Exchange that is priced better than the Protected NBB or Protected NBO by at least \$0.001 and that is identified as such. See Rule 11.24(a)(3).

¹⁰ The term Protected Quotation is defined in Rule 1.5(f) and has the same meaning as is set forth in Regulation NMS Rule 600(b)(58). The terms Protected NBB and Protected NBO are defined in Rule 1.5(s). The Protected NBB is the best-priced protected bid and the Protected NBO is the best-priced protected offer.

¹¹ See Rule 11.24(i).
