Office of Advocacy and Outreach

[FOA No.: OAO–00009]

Funding Opportunity Announcement

Catalog of Federal Domestic Assistance (CFDA) No.: 10.464—Socially Disadvantaged Farmers and Ranchers Policy Research Center.

AGENCY: Office of Advocacy and Outreach (OAO), U.S. Department of Agriculture (USDA).

ACTION: Funding Opportunity Announcement (FOA).

SUMMARY: This notice announces the availability of funds and solicits applications from eligible institutions to compete for financial assistance in the form of a grant to establish a Socially Disadvantaged Farmers and Ranchers Policy Research Center (The Center) at an 1890 Institution (as defined in 7 U.S.C. 7601).

Authority: The Agricultural Act of 2014, Title XII, Subtitle B, provides funding for a “Socially Disadvantaged Farmers and Ranchers Policy Research Center.” Section 12203 directs the Secretary to award a grant to a college or university eligible to receive funds under the Act of August 30, 1890 [Second Morrill Act] (7 U.S.C. 321 *et seq.*), including Tuskegee University, to establish a policy research center to be known as the “Socially Disadvantaged Farmers and Ranchers Policy Research Center” for the purpose of developing policy recommendations for the protection and promotion of the interests of socially disadvantaged farmers and ranchers.

The Center will collect and analyze data, develop policy recommendations, and evaluate policy concerning socially disadvantaged farmer and rancher issues. “Socially Disadvantaged Farmers and Ranchers” is defined in 7 U.S.C. 2279.

We will award \$400,000 in fiscal year (FY) 2015, ending September 30. Additional funds may be awarded to the successful grantee through FY 2018 without further competition.

DATES: Proposals must be received by April 13, 2015, at 5:00 p.m. Eastern Standard Time (EST), at www.grants.gov. Proposals received after this deadline will *not* be considered for funding.

I. Funding Opportunity Description

USDA’s Office of Advocacy and Outreach (OAO) invites submission of proposals for a competitive grant award to establish a new USDA Socially Disadvantaged Farmers and Ranchers Policy Research Center (The Center). The Center will specialize in policy research impacting socially disadvantaged farmers and ranchers. Land loss, land retention, and access to local, state, and federal programs will be major areas of research and policy development. The Center’s director and staff will have experience and/or education required to understand the socially disadvantaged farmers and ranchers communities. The Center will propose how they will work with other

institutions, as appropriate, inside and outside the land grant community.

Proposed recommendations resulting from the following list of activities, including but not limited to, shall be submitted to the Director of OAO:

- Analyze current agriculture policy and its implications on socially disadvantaged farmers and ranchers.
- Collect data on where USDA meetings are being held, and how socially disadvantaged farmers and ranchers participate.
- Make recommendations on improving participation rates of socially disadvantaged farmers and ranchers.
- Provide recommendations on how to improve diversity of county office staff and committees.
- Provide recommendations on actions to improve USDA program agencies’ outreach and technical assistance to socially disadvantaged farmers and ranchers.
- Collect data on the history of the education of socially disadvantaged farmers and ranchers and evaluate the results of past educational efforts in the South and the ability of higher education institutions to meet the educational needs of socially disadvantaged farmers and ranchers today.
- Collect data on how socially disadvantaged farmers and ranchers receive agricultural information.
- Determine how many socially disadvantaged farmers and ranchers have access to information technology equipment and broadband.
- Determine how many socially disadvantaged farmers and ranchers have received training on the use of information technology (IT) equipment and provide recommendations on ways to increase the utilization of IT for their farming organizations.
- Provide recommendations on improving the application approval process for socially disadvantaged farmers and ranchers applying for USDA assistance. Determine how past discrimination impacts access to present programs and provide recommendations to improve participation among socially disadvantaged farmers and ranchers.
- Collect data on the reasons for the decline of farm, ranch, and land ownership by socially disadvantaged farmers and ranchers. Provide recommendations on how to track and maintain current data on the number and location of socially disadvantaged farmers and ranchers.
- Analyze data collected from all sources, and develop policy recommendations that will enable socially disadvantaged farmers and
