## DEPARTMENT OF THE TREASURY

### Internal Revenue Service

#### Privacy Act of 1974, as Amended

**AGENCY:** Internal Revenue Service, Treasury.

**ACTION:** Notice of proposed alteration of a Privacy Act system of records.

**SUMMARY:** In accordance with the requirements of the Privacy Act of 1974, as amended, 5 U.S.C. 552a, the Department of the Treasury, Internal Revenue Service (IRS), gives notice of proposed alteration of a system of records entitled Treasury/IRS 34.013, Identification Media Files System for Employees and Others Issued IRS Identification.

**DATES:** Comments must be received no later than March 13, 2015. The proposed altered system will become effective March 23, 2015, unless the IRS receives comments which cause reconsideration of this action.

**ADDRESSES:** Comments should be sent to the Office of Privacy, Governmental Liaison and Disclosure, Internal

Revenue Service, 1111 Constitution Avenue NW., Washington, DC 20224. Comments will be available for inspection and copying in the IRS Freedom of Information Reading Room (Room 1621) at the above address. The telephone number for the Reading Room is (202) 317-4997 (not a toll-free number).

#### FOR FURTHER INFORMATION CONTACT:

David Silverman, Management and Program Analyst, IRS Office of Privacy, Governmental Liaison and Disclosure, (202) 317-6452 (not a toll-free number).

**SUPPLEMENTARY INFORMATION:** IRS is proposing to alter the Privacy Act system of records entitled Treasury/IRS 34.013, Identification Media Files System for Employees and Others Issued IRS Identification, to include the additional purpose of using the physical access control system to determine the most efficient way for IRS to manage office space.

IRS employees present their Federal Standard Homeland Security Policy Directive (HSPD)-12 Personal Identity Verification (PIV Card) to a card reader to enter IRS facilities. The card reader scans the employee's identity credentials and transmits the data to a server that verifies the employee's authorization to enter a facility.

This entrance information will be aggregated to protect employee privacy and will then be used to enable IRS to more efficiently determine what space it needs for optimum use of resources. A notice describing this system of records was most recently published at 77 FR 155, August 10, 2012. IRS Proposes to alter the system to include the collection of this data.

Dated: January 26, 2015.

*Deputy Assistant Secretary for Privacy, Transparency, and Records.*

**Title:** National Practitioner Data Bank (NPDB) Regulations.

**OMB Control Number:** 2900–0621.

**Type of Review:** Revision of an approved collection.

**Abstract:** Under the provisions of the Health Care Quality Improvement Act of 1986, which established the National Practitioner Data Bank (NPDB), and a

Memorandum of Understanding (MOU) between the Department of Veterans Affairs (VA) and the Department of Health and Human Services (HHS), VA medical treatment facilities are required to query the NPDB at the time of initial appointment for all licensed, registered, and certified health care professionals which is followed with the enrollment in the NPDB Continuous Query (CQ) process with annual renewal of all licensed independent practitioners appointed to a VA medical treatment facility. In accordance with 38 CFR, Chapter 1, Part 46, information is collected so that VA can consider if malpractice payments were made related to substandard care, professional incompetence, or professional misconduct on the part of a licensed health care practitioner or if any adjudicated adverse action was taken against the licensure or clinical privileges of a these health care practitioner.

Additionally, complete and thorough credentialing is required to assure that only qualified healthcare professionals provide care to our Nation’s veterans. The term credentialing refers to the systematic process of screening and evaluating qualifications and other credentials, including licensure, required education, relevant training and experience, current competence and health status.

An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number.
