Substance Abuse and Mental Health Services Administration

Agency Information Collection Activities: Submission for OMB Review; Comment Request

Periodically, the Substance Abuse and Mental Health Services Administration (SAMHSA) will publish a summary of information collection requests under OMB review, in compliance with the Paperwork Reduction Act (44 U.S.C. Chapter 35). To request a copy of these documents, call the SAMHSA Reports Clearance Officer on (240) 276-1243.

Project: Cross-Site Evaluation of the Minority Substance Abuse/HIV Prevention Program (MAI)—(OMB No. 0930-0298)—Revision

The Substance Abuse and Mental Health Services Administration (SAMHSA), Center for Substance Abuse Prevention (CSAP) is requesting from the Office of Management and Budget (OMB) approval for the revision of data collection activities for the cross-site evaluation of the Minority Substance Abuse/HIV Prevention Program (MAI), which includes both youth and adult questionnaires. This revision includes the inclusion of 4 cohorts, substantial revisions to the youth and adult questionnaires, updates to the data used to estimate response rates and expected numbers of participants by service duration (see Table 1 below), and addition of two brief forms to collect dosage information.

This cross-site evaluation supports two of SAMHSA's 6 Strategic Initiatives:

Prevention of Substance Abuse and Mental Illness and Health Care and Health Systems Integration. It builds on evaluations of data collected by ten previous cohorts of grantees funded by SAMHSA's CSAP to provide substance abuse and HIV prevention services for minority populations. The first two cohorts were planning grant programs and the rest were service grant programs. The goals for the Cohort 3-10 grants were to add, increase, or enhance integrated substance abuse (SA) and HIV prevention services by providing supportive services and strengthening linkages between service providers and at-risk minority populations. Cohorts 1-3 previously received clearance under OMB No. 0930-0208 and Cohort 6-10 grants previously received clearance under OMB No. 0930-0298. The grant period for Cohort 9 and 10 grants will end on 9/30/2015.

The cohorts of grantees funded by the MAI and included in this clearance request are:

- Minority Serving Institutions (MSI) in Partnerships with Community-Based Organizations (CBO): 29 three-year grants funded at the end of FY 2013 (MSI CBO 2013)

- Minority Serving Institutions (MSI) in Partnerships with Community-Based Organizations (CBO): 21 three-year grants funded at the end of FY 2014 (MSI CBO 2014)

- Minority Serving Institutions (MSI) in Partnerships with Community-Based Organizations (CBO): 34 three-year grants were funded in FY 2015 (MSI CBO 2015)

- Capacity Building Initiative (CBI): 54 five-year grants were funded in 2015 (CBI 2015)

MSI CBO grantees are Historically Black Colleges/Universities, Hispanic Serving Institutions, American Pacific Islander Serving Institutions, or Tribal Colleges/Universities in partnership with community based organizations in their surrounding communities. MSI CBO grantees are required to provide integrated substance abuse (SA),
