SUPPLEMENTARY INFORMATION:

Established in 1991 in response to an administrative recommendation in the final Conference Report of the Omnibus Budget Reconciliation Act of 1989, the IRPAC works closely with the IRS to provide recommendations on a wide range of issues intended to improve the information reporting program and achieve fairness to taxpayers. Conveying the public's perceptions of IRS activities to the Commissioner, the IRPAC is comprised of individuals who bring substantial, disparate experience and diverse backgrounds to the Committee's activities.

Each IRPAC member is nominated by the Commissioner with the concurrence of the Secretary of Treasury to serve a three-year term. Working groups address policies and administrative issues specific to information reporting. Members are not paid for their services. However, travel expenses for working sessions, public meetings and orientation sessions, such as airfare, per diem, and transportation are reimbursed within prescribed federal travel limitations.

Receipt of applications will be acknowledged, and all individuals will be notified when selections have been made. In accordance with Department of Treasury Directive 21-03, a clearance

process including fingerprints, annual tax checks, a Federal Bureau of Investigation criminal check and a practitioner check with the Office of Professional Responsibility will be conducted.

Equal opportunity practices will be followed for all appointments to the IRPAC in accordance with the Department of Treasury and IRS policies. The IRS has special interest in assuring that women and men, members of all races and national origins, and individuals with disabilities are welcomed for service on advisory committees and, therefore, extends particular encouragement to nominations from such appropriately qualified candidates.
