SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-76856; File No. 4-694]

Program for Allocation of Regulatory Responsibilities Pursuant to Rule 17d-2; Notice of Filing of Proposed Plan for the Allocation of Regulatory Responsibilities Between the Financial Industry Regulatory Authority, Inc. and the National Stock Exchange, Inc.

January 8, 2016.

Pursuant to Section 17(d) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 17d-2 thereunder,² notice is hereby given that on December 23, 2015, the National Stock Exchange, Inc. ("NSX") and the Financial Industry

Regulatory Authority, Inc. ("FINRA") (together with NSX, the "Parties") filed with the Securities and Exchange Commission ("Commission" or "SEC") a plan for the allocation of regulatory responsibilities, dated December 22, 2015 ("17d-2 Plan" or the "Plan"). The Commission is publishing this notice to solicit comments on the 17d-2 Plan from interested persons.

I. Introduction

Section 19(g)(1) of the Act,³ among other things, requires every self-regulatory organization ("SRO") registered as either a national securities exchange or national securities association to examine for, and enforce compliance by, its members and persons associated with its members with the Act, the rules and regulations thereunder, and the SRO's own rules, unless the SRO is relieved of this responsibility pursuant to Section 17(d) or Section 19(g)(2) of the Act.⁴ Without this relief, the statutory obligation of each individual SRO could result in a pattern of multiple examinations of broker-dealers that maintain memberships in more than one SRO ("common members") for compliance with certain rules that are substantially identical across multiple SROs. Such regulatory duplication would add unnecessary expenses for common members and their SROs.

Section 17(d)(1) of the Act⁵ was intended, in part, to eliminate unnecessary multiple examinations and regulatory duplication.⁶ With respect to a common member, Section 17(d)(1) authorizes the Commission, by rule or order, to relieve an SRO of the responsibility to receive regulatory reports, to examine for and enforce compliance with applicable statutes, rules, and regulations, or to perform other specified regulatory functions.

To implement Section 17(d)(1), the Commission adopted two rules: Rule 17d-1 and Rule 17d-2 under the Act.⁷ Rule 17d-1 authorizes the Commission to name a single SRO as the designated examining authority ("DEA") to examine common members for compliance with the financial responsibility requirements imposed by the Act, or by Commission or SRO

⁴ 15 U.S.C. 78q(d) and 15 U.S.C. 78s(g)(2), respectively.

⁵ 15 U.S.C. 78q(d)(1).

⁶ See Securities Act Amendments of 1975, Report of the Senate Committee on Banking, Housing, and Urban Affairs to Accompany S. 249, S. Rep. No. 94-75, 94th Cong., 1st Session 32 (1975).

rules.⁸ When an SRO has been named as a common member's DEA, all other SROs to which the common member belongs are relieved of the responsibility to examine the firm for compliance with the applicable financial responsibility rules. On its face, Rule 17d-1 deals only with an SRO's obligations to enforce member compliance with financial responsibility requirements. Rule 17d-1 does not relieve an SRO from its obligation to examine a common member for compliance with its own rules and provisions of the federal securities laws governing matters other than financial responsibility, including sales practices and trading activities and practices.

To address regulatory duplication in these and other areas, the Commission adopted Rule 17d-2 under the Act.⁹ Rule 17d-2 permits SROs to propose joint plans for the allocation of regulatory responsibilities with respect to their common members. Under paragraph (c) of Rule 17d-2, the Commission may declare such a plan effective if, after providing for appropriate notice and comment, it determines that the plan is necessary or appropriate in the public interest and for the protection of investors; to foster cooperation and coordination among the SROs; to remove impediments to, and foster the development of, a national market system and a national clearance and settlement system; and is in conformity with the factors set forth in Section 17(d) of the Act. Commission approval of a plan filed pursuant to Rule 17d-2 relieves an SRO of those regulatory responsibilities allocated by the plan to another SRO.

II. Proposed Plan

The proposed 17d-2 Plan is intended to reduce regulatory duplication for firms that are common members of both NSX and FINRA.¹⁰ Pursuant to the proposed 17d-2 Plan, FINRA would assume certain examination and enforcement responsibilities for common members with respect to certain applicable laws, rules, and regulations.

The text of the Plan delineates the proposed regulatory responsibilities with respect to the Parties. Included in the proposed Plan is an exhibit (the "National Stock Exchange ("NSX") Rules Certification for 17d-2 Agreement

with FINRA," referred to herein as the "Certification") that lists every NSX rule, and select federal securities laws, rules, and regulations, for which FINRA would bear responsibility under the Plan for overseeing and enforcing with respect to NSX members that are also members of FINRA and the associated persons therewith ("Dual Members").

Specifically, under the 17d-2 Plan, FINRA would assume examination and enforcement responsibility relating to compliance by Dual Members with the rules of NSX that are substantially similar to the applicable rules of FINRA,¹¹ as well as any provisions of the federal securities laws and the rules and regulations thereunder delineated in the Certification ("Common Rules"). In the event that a Dual Member is the subject of an investigation relating to a transaction on NSX, the plan acknowledges that NSX may, in its discretion, exercise concurrent jurisdiction and responsibility for such matter.¹²

Under the Plan, NSX would retain full responsibility for surveillance and enforcement with respect to trading activities or practices involving NSX's own marketplace, including, without limitation, registration pursuant to its applicable rules of associated persons (*i.e.*, registration rules that are not Common Rules); its duties as a DEA pursuant to Rule 17d-1 under the Act; and any NSX rules that are not Common Rules.¹³

The text of the proposed 17d-2 Plan is as follows:

Agreement Between Financial Industry Regulatory Authority, Inc. and National Stock Exchange, Inc. Pursuant to Rule 17d-2 Under the Securities Exchange Act of 1934

This Agreement, by and between the Financial Industry Regulatory Authority, Inc. ("FINRA") and the National Stock Exchange, Inc. ("NSX"), is made this 22nd day of December, 2015 (the "Agreement"), pursuant to Section 17(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act") and Rule 17d-2 thereunder, which permits agreements between self-regulatory organizations to allocate

regulatory responsibility to eliminate regulatory duplication. FINRA and NSX may be referred to individually as a "party" and together as the "parties."

This Agreement replaces and restates the agreement entered into between the parties on June 20, 1977 as amended, entitled "Agreement Between the National Association of Securities Dealers, Inc. and the Cincinnati Stock Exchange Pursuant to SEC Rule 17d-2 Under the Securities Exchange Act of 1934," and any subsequent amendments thereafter.

WHEREAS, FINRA and NSX desire to reduce duplication in the examination of their Dual Members (as defined herein) and in the filing and processing of certain registration and membership records; and

WHEREAS, FINRA and NSX desire to execute an agreement covering such subjects pursuant to the provisions of Rule 17d-2 under the Exchange Act and to file such agreement with the Securities and Exchange Commission (the "SEC" or "Commission") for its approval.

NOW, THEREFORE, in consideration of the mutual covenants contained hereinafter, FINRA and NSX hereby agree as follows:

1. Definitions. Unless otherwise defined in this Agreement or the context otherwise requires, the terms used in this Agreement shall have the same meaning as they have under the Exchange Act and the rules and regulations thereunder. As used in this Agreement, the following terms shall have the following meanings:

(a) "NSX Rules" or "FINRA Rules" shall mean: (i) The rules of NSX or (ii) the rules of FINRA, respectively, as the rules of an exchange or association are defined in Exchange Act Section 3(a)(27).

(b) "Common Rules" shall mean NSX Rules that are substantially similar to the applicable FINRA Rules and certain provisions of the Exchange Act and SEC rules set forth on *Exhibit 1* in that examination for compliance with such provisions and rules would not require FINRA to develop one or more new examination standards, modules, procedures, or criteria in order to analyze the application of the provision or rule, or a Dual Member's activity, conduct, or output in relation to such provision or rule; provided, however Common Rules shall not include the application of the SEC, NSX or FINRA rules as they pertain to violations of insider trading activities, which is covered by a separate 17d-2 Agreement by and among the NSX Exchange, Inc., NSX Y-Exchange, Inc., Chicago Board Options Exchange, Inc., Chicago Stock

Paragraph 2 of the Plan provides that annually, or more frequently as required by changes in either NSX rules or FINRA rules, the parties shall review and update, if necessary, the list of Common Rules. Further, paragraph 3 of the Plan provides that NSX shall furnish FINRA with a list of Dual Members, and shall update the list no less frequently than once each calendar quarter.

(c) “*Dual Members*” shall mean those NSX members that are also members of FINRA and the associated persons therewith.

(d) “*Effective Date*” shall be the date this Agreement is approved by the Commission.

(e) “*Enforcement Responsibilities*” shall mean the conduct of appropriate proceedings, in accordance with FINRA’s Code of Procedure (the Rule 9000 Series) and other applicable FINRA procedural rules, to determine whether violations of Common Rules have occurred, and if such violations are deemed to have occurred, the imposition of appropriate sanctions as specified under FINRA’s Code of Procedure and sanctions guidelines.

2. Regulatory and Enforcement Responsibilities. FINRA shall assume Regulatory Responsibilities and Enforcement Responsibilities for Dual Members. Attached as *Exhibit 1* to this Agreement and made part hereof, NSX furnished FINRA with a current list of Common Rules and certified to FINRA that such rules that are NSX Rules are substantially similar to the corresponding FINRA Rules (the “*Certification*”). FINRA hereby agrees that the rules listed in the Certification are Common Rules as defined in this Agreement. Each year following the Effective Date of this Agreement, or more frequently if required by changes in either the rules of NSX or FINRA, NSX shall submit an updated list of Common Rules to FINRA for review which shall add NSX Rules not included in the current list of Common Rules that qualify as Common Rules as defined in this Agreement; delete NSX Rules included in the current list of Common Rules that no longer qualify as Common Rules as defined in this Agreement; and confirm that the remaining rules on the current list of

Common Rules continue to be NSX Rules that qualify as Common Rules as defined in this Agreement. Within 30 days of receipt of such updated list, FINRA shall confirm in writing whether the rules listed in any updated list are Common Rules as defined in this Agreement. Notwithstanding anything herein to the contrary, it is explicitly understood that the term “*Regulatory Responsibilities*” does not include, and NSX shall retain full responsibility for (unless otherwise addressed by separate agreement or rule) (collectively, the “*Retained Responsibilities*”) the following:

(a) Surveillance, examination, investigation and enforcement with respect to trading activities or practices involving NSX’s own marketplace;

(b) registration pursuant to its applicable rules of associated persons (*i.e.*, registration rules that are not Common Rules);

(c) discharge of its duties and obligations as a Designated Examining Authority pursuant to Rule 17d–1 under the Exchange Act; and

(d) any NSX Rules that are not Common Rules.

3. Dual Members. Prior to the Effective Date, NSX shall furnish FINRA with a current list of Dual Members, which shall be updated no less frequently than once each quarter.

4. No Charge. There shall be no charge to NSX by FINRA for performing the Regulatory Responsibilities and Enforcement Responsibilities under this Agreement except as hereinafter provided. FINRA shall provide NSX with ninety (90) days advance written notice in the event FINRA decides to impose any charges to NSX for performing the Regulatory Responsibilities under this Agreement. If FINRA determines to impose a charge, NSX shall have the right at the time of the imposition of such charge to terminate this Agreement; provided, however, that FINRA’s Regulatory Responsibilities under this Agreement shall continue until the Commission approves the termination of this Agreement.

5. Applicability of Certain Laws, Rules, Regulations or Orders. Notwithstanding any provision hereof, this Agreement shall be subject to any statute, or any rule or order of the Commission. To the extent such statute, rule, order or action is inconsistent with this Agreement, the statute, rule, order or action shall supersede the provision(s) hereof to the extent necessary for them to be properly effectuated and the provision(s) hereof in that respect shall be null and void.

6. Notification of Violations.

(a) In the event that FINRA becomes aware of apparent violations of any NSX Rules, which are not listed as Common Rules, discovered pursuant to the performance of the Regulatory Responsibilities assumed hereunder, FINRA shall notify NSX of those apparent violations for such response as NSX deems appropriate.

(b) In the event that NSX becomes aware of apparent violations of any Common Rules, discovered pursuant to the performance of the Retained Responsibilities, NSX shall notify FINRA of those apparent violations and such matters shall be handled by FINRA as provided in this Agreement.

(c) Apparent violations of Common Rules shall be processed by, and enforcement proceedings in respect thereto shall be conducted by FINRA as provided hereinbefore; provided, however, that in the event a Dual Member is the subject of an investigation relating to a transaction on NSX, NSX may in its discretion assume concurrent jurisdiction and responsibility.

(d) Each party agrees to make available promptly all files, records and witnesses necessary to assist the other in its investigation or proceedings.

7. Continued Assistance.

(a) FINRA shall make available to NSX all information obtained by FINRA in the performance by it of the Regulatory Responsibilities hereunder with respect to the Dual Members subject to this Agreement. In particular, and not in limitation of the foregoing, FINRA shall furnish NSX any information it obtains about Dual Members which reflects adversely on their financial condition. NSX shall make available to FINRA any information coming to its attention that reflects adversely on the financial condition of Dual Members or indicates possible violations of applicable laws, rules or regulations by such firms.

(b) The parties agree that documents or information shared shall be held in confidence, and used only for the purposes of carrying out their respective regulatory obligations. Neither party shall assert regulatory or other privileges as against the other with respect to documents or information that is required to be shared pursuant to this Agreement.

(c) The sharing of documents or information between the parties pursuant to this Agreement shall not be deemed a waiver as against third parties of regulatory or other privileges relating to the discovery of documents or information.

8. Statutory Disqualifications. When FINRA becomes aware of a statutory

disqualification as defined in the Exchange Act with respect to a Dual Member, FINRA shall determine pursuant to Sections 15A(g) and/or Section 6(c) of the Exchange Act the acceptability or continued applicability of the person to whom such disqualification applies and keep NSX advised of its actions in this regard for such subsequent proceedings as NSX may initiate.

9. Customer Complaints. NSX shall forward to FINRA copies of all customer complaints involving Dual Members received by NSX relating to FINRA's Regulatory Responsibilities under this Agreement. It shall be FINRA's responsibility to review and take appropriate action in respect to such complaints.

10. Advertising. FINRA shall assume responsibility to review the advertising of Dual Members subject to the Agreement, provided that such material is filed with FINRA in accordance with FINRA's filing procedures and is accompanied with any applicable filing fees set forth in FINRA Rules.

11. No Restrictions on Regulatory Action. Nothing contained in this Agreement shall restrict or in any way encumber the right of either party to conduct its own independent or concurrent investigation, examination or enforcement proceeding of or against Dual Members, as either party, in its sole discretion, shall deem appropriate or necessary.

12. Termination. This Agreement may be terminated by NSX or FINRA at any time upon the approval of the Commission after one (1) year's written notice to the other party, except as provided in paragraph 4.

13. Arbitration. In the event of a dispute between the parties as to the operation of this Agreement, NSX and FINRA hereby agree that any such dispute shall be settled by arbitration in Washington, DC in accordance with the rules of the American Arbitration Association then in effect, or such other procedures as the parties may mutually agree upon. Judgment on the award rendered by the arbitrator(s) may be entered in any court having jurisdiction. Each party acknowledges that the timely and complete performance of its obligations pursuant to this Agreement is critical to the business and operations of the other party. In the event of a dispute between the parties, the parties shall continue to perform their respective obligations under this Agreement in good faith during the resolution of such dispute unless and

until this Agreement is terminated in accordance with its provisions. Nothing in this Section 13 shall interfere with a party's right to terminate this Agreement as set forth herein.

14. Separate Agreement. 16. Amendment. This Agreement may be amended in writing duly approved by each party. All such amendments must be filed with and approved by the Commission before they become effective.

17. Limitation of Liability. Neither FINRA nor NSX nor any of their respective directors, governors, officers or employees shall be liable to the other party to this Agreement for any liability, loss or damage resulting from or claimed to have resulted from any delays, inaccuracies, errors or omissions with respect to the provision of Regulatory Responsibilities as provided hereby or for the failure to provide any such responsibility, except with respect to such liability, loss or damages as

shall have been suffered by one or the other of FINRA or NSX and caused by the willful misconduct of the other party or their respective directors, governors, officers or employees.
