Abstract of Proposed Collection

The Adoptive Family Relief Act (Pub. L. 114-70) amended section 221(c) of the Immigration and Nationality Act (INA), 8 U.S.C. 1201(c), to allow for the waiver or refund certain immigrant visa fees for a lawfully adopted child, or a child coming to the United States to be adopted by a United States citizen, subject to criteria prescribed by the Secretary of State. Over 350 American families have successfully adopted children from the Democratic Republic of the Congo. However, since September 25, 2013, they have not been able to bring their adoptive children home to the United States because the Democratic Republic of the Congo suspended the issuance of "exit permits" for these children. As the permit suspension drags on, however, American families are repeatedly paying visa renewal and related fees, while also continuing to be separated from their adopted children.

The waiver or refund provides support and relief to American families seeking to bring their adoptive children from the Democratic Republic of Congo to the United States, and would also provide relief to similarly situated adoptive families should barriers arise in other countries in the future. See 161 Cong. Rec. S2796-01.

This form will collect information to determine the extra fees these families have paid and refund them in accordance with the Adoptive Family Relief Act. This is an emergency collection in order to immediately alleviate the financial burden on families who need multiple visas and those families are still waiting for refunds.

Methodology

The form DS-7781 will be hosted on the Department of State Web site to be

printed, filled out, and eventually sent to the Consular Section where the adoption case was originally processed.

Dated: March 21, 2016.

Edward Ramotowski,

Deputy Assistant Secretary, Bureau of Consular Affairs, Department of State.
