DEPARTMENT OF HOMELAND SECURITY

Office of the Secretary

[Docket No. DHS–2016–0006]

Privacy Act of 1974; Department of Homeland Security U.S. Customs and Border Protection–007 Border Crossing Information System of Records

AGENCY: Privacy Office, Department of Homeland Security.

ACTION: Notice of Privacy Act System of Records.

SUMMARY: In accordance with the Privacy Act of 1974, the Department of Homeland Security proposes to update and reissue a current Department of Homeland Security system of records titled, “Department of Homeland Security (DHS)/U.S. Customs and Border Protection (CBP)–007 Border Crossing Information (BCI) System of Records.” This system of records allows DHS/CBP to collect and maintain records on border crossing information for all individuals who enter, are admitted or paroled into, and (when available) exit from the United States, regardless of method or conveyance. The BCI includes certain biographic and biometric information; photographs; certain mandatory or voluntary itinerary information provided by air, sea, bus, and rail carriers or any other forms of passenger transportation; and the time and location of the border crossing.

This system of records notice was previously published in the **Federal Register** on May 11, 2015 (80 FR 26937). A Final Rule exempting portions of this system from certain provisions of the Privacy Act was published on Feb. 3, 2010, and remains in effect (75 FR 5491); however, the Department of Homeland Security recently published a Notice of Proposed Rulemaking to clarify the exemptions for this system (80 FR 79487, Dec. 22, 2015) and a new Final Rule is forthcoming.

DHS/CBP is updating this system of records notice to provide notice of that BCI may be stored on both DHS unclassified and classified networks to allow for analysis and vetting consistent with existing DHS/CBP authorities and purposes and this published notice. Furthermore, this notice includes non-substantive changes to simplify the formatting and text of the previously published notice.

The exemptions for the existing system of records notice published May 11, 2015 (80 FR 26937) continue to apply for this updated system of records for those categories of records listed in the previous BCI system of records

notice. DHS will include this system in its inventory of record systems.

DATES: This updated system will be effective upon the public display of this notice. Although this system is effective upon publication, DHS will accept and consider comments from the public and evaluate the need for any revisions to this notice.
