FOR FURTHER INFORMATION CONTACT:

Kathleen Boyer, Designated Federal Officer for the TMAC, FEMA, 1800 South Bell Street, Arlington, VA 22202, telephone (202) 646-4023, and email Kathleen.boyer@fema.dhs.gov. The

TMAC Web site is: <http://www.fema.gov/TMAC>.

SUPPLEMENTARY INFORMATION: Notice of this meeting is given under the Federal Advisory Committee Act, 5 U.S.C. Appendix.

As required by the *Biggert-Waters Flood Insurance Reform Act of 2012*, the TMAC makes recommendations to the FEMA Administrator on: (1) How to improve, in a cost-effective manner, the (a) accuracy, general quality, ease of use, and distribution and dissemination of flood insurance rate maps and risk data; and (b) performance metrics and milestones required to effectively and efficiently map flood risk areas in the United States; (2) mapping standards and guidelines for (a) flood insurance rate maps, and (b) data accuracy, data quality, data currency, and data eligibility; (3) how to maintain, on an ongoing basis, flood insurance rate maps and flood risk identification; (4) procedures for delegating mapping activities to State and local mapping partners; and (5) (a) methods for improving interagency and intergovernmental coordination on flood mapping and flood risk determination, and (b) a funding strategy to leverage and coordinate budgets and expenditures across Federal agencies. Furthermore, the TMAC is required to submit an annual report to the FEMA Administrator that contains: (1) a description of the activities of the Council; (2) an evaluation of the status and performance of flood insurance rate maps and mapping activities to revise and update Flood Insurance Rate Maps; and (3) a summary of recommendations made by the Council to the FEMA Administrator.

Further, in accordance with the *Homeowner Flood Insurance Affordability Act of 2014*, the TMAC must develop a review report related to flood mapping in support of the National Flood Insurance Program (NFIP).

Agenda: On February 10, 2016, the TMAC members will present and deliberate on the draft content and potential recommendations to be incorporated in the 2016 Review Report (due in April 2016) and the 2016 Annual Report (due in October 2016). A

brief public comment period will take place during the meeting. On February 11, 2016, the TMAC members will continue to present and deliberate on the draft content and potential recommendations to be incorporated in the two reports. In addition, the TMAC members will identify and coordinate on the TMAC's next steps. A brief public comment period will take place during the meeting prior to any vote. The full agenda and related briefing materials will be posted for review by February 5, 2016 at <http://www.fema.gov/TMAC>.

Dated: January 20, 2016.

Roy E. Wright,

Deputy Associate Administrator for Insurance and Mitigation, Federal Emergency Management Agency.

Agency Information Collection Activities: Proposed Collection; Comment Request; General Admissions Applications (Long and Short) and Stipend Forms

AGENCY: Federal Emergency Management Agency, DHS.

ACTION: Notice.

SUMMARY: The Federal Emergency Management Agency, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on a revision of a currently approved information collection. In accordance with the Paperwork Reduction Act of 1995, this notice seeks comments concerning the admission applications and student stipend agreements for FEMA courses and programs that are delivered on-campus at the FEMA National Emergency Training Center (NETC) facility and throughout the Nation, in coordination with State and local training officials and local colleges and universities.

DATES: Comments must be submitted on or before March 28, 2016.

ADDRESSES: To avoid duplicate submissions to the docket, please use only one of the following means to submit comments:

(1) *Online.* Submit comments at www.regulations.gov under Docket ID

FEMA-2015-0024. Follow the instructions for submitting comments.

(2) *Mail.* Submit written comments to Docket Manager, Office of Chief Counsel, DHS/FEMA, 500 C Street SW., 8NE, Washington, DC 20472-3100.

All submissions received must include the agency name and Docket ID. Regardless of the method used for submitting comments or material, all submissions will be posted, without change, to the Federal eRulemaking Portal at <http://www.regulations.gov>, and will include any personal information you provide. Therefore, submitting this information makes it public. You may wish to read the Privacy Act notice that is available via the link in the footer of www.regulations.gov.

FOR FURTHER INFORMATION CONTACT:

Smiley White, Supervisory Program Specialist, United States Fire Administration, 301-447-1055. You may contact the Records Management Division for copies of the proposed collection of information at email address: FEMA-Information-Collections-Management@fema.dhs.gov.

SUPPLEMENTARY INFORMATION: FEMA offers courses and programs that are delivered at National Emergency Training Center (NETC) in Emmitsburg, Maryland and the Center for Domestic Preparedness (CDP) in Anniston, Alabama and throughout the Nation in coordination with State and local training officials and local colleges and universities to carry out the authorities listed below. To facilitate meeting these requirements, FEMA collects information necessary to be accepted for courses and for the student stipend or travel reimbursement program for these courses. There are several organizations within the Federal Emergency Management Agency that deliver training and education in support of the FEMA mission.

1. Section 7 of Public Law 93-498, Federal Fire Prevention and Control Act, as amended, established the National Fire Academy (NFA) to advance the professional development of fire service personnel and of other persons engaged in fire prevention and control activities.

2. Section 611.f. of subchapter VI of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (Stafford Act) as amended, 42 U.S.C. 5121-5207, authorizes the Director to conduct or arrange, by contract or otherwise, for the training programs for the instruction of emergency preparedness officials and other persons in the organization, operation, and techniques of emergency preparedness; conduct or operate

schools or classes, including the payment of travel expenses, in accordance with subchapter I of chapter 57 of title 5, United States Code, and the Standardized Government Travel Regulations, and per diem allowances, in lieu of subsistence for trainees in attendance or the furnishing of subsistence and quarters for trainees and instructors on terms prescribed by the Director; and provide instructors and training aids as deemed necessary. This training is conducted through the Emergency Management Institute (EMI).

3. Title XIV of the National Defense Authorization Act of 1997, PL 104-201, 110 Stat. 2432; title I of the Departments of Commerce, Justice, and State, the Judiciary, and Related Agencies Appropriations Act of 1998, PL 105-119, 111 Stat. 2440; sections 403 and 430 of the Homeland Security Act of 2002, PL 107-296, 116 Stat. 2135; and section 611 of the Post-Katrina Emergency Management Reform Act of 2006, PL 109-295, 120 Stat. 1355, all authorize the Center for Domestic Preparedness (CDP) to serve as a training facility for all relevant federally supported training efforts that target state and local law enforcement, firefighters, emergency medical personnel, and other key agencies such as public works and state and local emergency management. The focus of the training is to prepare relevant state and local officials to deal with chemical, biological, or nuclear terrorist acts and handle incidents dealing with hazardous materials.

4. PL 110-53, State. 6 U.S.C. 1102 established a National Domestic Preparedness Consortium within the Department of Homeland Security. According to the enacting legislation, the members of the Consortium consist of the Center for Domestic Preparedness; the National Energetic Materials Research and Testing Center, New Mexico Institute of Mining and Technology; the National Center for Biomedical Research and Training, Louisiana State University; the National Emergency Response and Rescue Training Center, Texas A&M University; the National Exercise, Test, and Training Center, Nevada Test Site; the Transportation Technology Center, Incorporated, in Pueblo, Colorado; and the National Disaster Preparedness Training Center, University of Hawaii. Other organizations have been added to the Consortium membership since the passage of the enacting legislation. The Consortium shall identify, test, and deliver training to State, local, and tribal emergency response providers, provide on-site and mobile training at the performance, management, and
