

necessary as a result of this action. Should any changes become necessary, they would be submitted to OMB for approval.

This rule imposes no additional reporting or recordkeeping requirements on either small or large California kiwifruit handlers. As with all Federal marketing order programs, reports and forms are periodically reviewed to reduce information requirements and duplication by industry and public sector agencies. As noted in the initial regulatory flexibility analysis, USDA has not identified any relevant Federal rules that duplicate, overlap, or conflict with this final rule.

AMS is committed to complying with the E-Government Act, to promote the use of the internet and other information technologies to provide increased opportunities for citizen access to Government information and services, and for other purposes.

A proposed rule concerning this action was published in the **Federal Register** on November 5, 2015 (80 FR 68473). Copies of the proposed rule were also mailed or sent via facsimile to all California kiwifruit handlers. Finally, the proposal was made available through the internet by USDA and the Office of the Federal Register. A 15-day comment period ending November 20, 2015, was provided for interested persons to respond to the proposal. One comment in support of the rule was received, with the commenter requesting more information on the type of research the committee was conducting. The research the Committee recommended involves two field trials during the first year of a research proposal to study the beneficial effects of Nimitz nematocide on the Root-knot nematode. This type of production research is authorized under § 920.47 of the marketing order and will benefit growers. Accordingly, no changes will be made to the rule as proposed, based on the comment received.

A small business guide on complying with fruit, vegetable, and specialty crop marketing agreements and orders may be viewed at: <http://www.ams.usda.gov/rules-regulations/moa/small-businesses>. Any questions about the compliance guide should be sent to Jeffrey Smutny at the previously mentioned address in the **FOR FURTHER INFORMATION CONTACT** section.

After consideration of all relevant material presented, including the information and recommendation submitted by the Committee and other available information, it is hereby found that this rule, as hereinafter set forth,

will tend to effectuate the declared policy of the Act.

Pursuant to 5 U.S.C. 553, it also found and determined that good cause exists for not postponing the effective date of this rule until 30 days after publication in the **Federal Register** because: (1) The 2015–16 fiscal year began on August 1, 2015. Handlers began shipping kiwifruit in September and the marketing order requires that the rate of assessment apply to all assessable kiwifruit handled during the fiscal period; (2) the Committee needs to have sufficient funds to pay its expenses, which are incurred on a continuous basis; and (3) handlers are aware of this action which was unanimously recommended by the Committee at a public meeting and is similar to other assessment rate actions issued in past years. Also, a 15-day comment period was provided for in the proposed rule, and one supportive comment was received.

7 CFR Part 3434

RIN 0524–AA39

Hispanic-Serving Agricultural Colleges and Universities (HSACU)

AGENCY: National Institute of Food and Agriculture (NIFA), USDA.

ACTION: Final rule.

SUMMARY: This rule updates the list of institutions that are granted HSACU certification by the Secretary and are eligible for HSACU programs for the period starting October 1, 2015, and ending September 30, 2016.

DATES: This rule is effective February 3, 2016 and applicable October 1, 2015.

FOR FURTHER INFORMATION CONTACT: Lisa DePaolo; Policy Analyst; National Institute of Food and Agriculture; U.S. Department of Agriculture; STOP 2272; 1400 Independence Avenue SW.; Washington, DC 20250–2272; Voice: 202–401–5061; Fax: 202–401–7752; Email: ldepaolo@nifa.usda.gov.

SUPPLEMENTARY INFORMATION:

HSACU Institutions for Fiscal Year 2016

This rule makes changes to the existing list of institutions in Appendix B of 7 CFR part 3434. The list of institutions is amended to reflect the institutions that are granted HSACU certification by the Secretary and are eligible for HSACU programs for the period starting October 1, 2015, and ending September 30, 2016.

Certification Process

As stated in 7 CFR 3434.4, an institution must meet the following criteria to receive HSACU certification: (1) Be a Hispanic-Serving Institution (HSI), (2) offer agriculture-related degrees, (3) not appear on the Excluded Parties List System (EPLS), (4) be accredited, and (5) award at least 15% of agriculture-related degrees to Hispanic students over the two most recent academic years.

NIFA obtained the latest report from the U.S. Department of Education's National Center for Education Statistics that lists all HSIs and the degrees conferred by these institutions (completion data) during the 2013–14 academic year. NIFA used this report to identify HSIs that conferred a degree in an instructional program that appears in Appendix A of 7 CFR part 3434 and to confirm that over the 2012–13 and 2013–14 academic years at least 15% of the degrees in agriculture-related fields were awarded to Hispanic students. NIFA further confirmed that these institutions were nationally accredited and were not listed in the System for Award Management (<https://www.sam.gov>) with exclusions.

The updated list of HSACUs is based on (1) completions data from 2012–13 and 2013–14, and (2) enrollment data from Fall 2014. NIFA identified 101 institutions that met the eligibility criteria to receive HSACU certification

for FY 2016 (October 1, 2015 to September 30, 2016).

Declaration of Intent To Apply for NLGCA Designation

As set forth in Section 7101 of the Agricultural Act of 2014 (Pub. L. 113–79), which amends 7 U.S.C. 3103, an institution that is eligible to be designated as an HSACU may notify the Secretary of its intent not to be considered an HSACU. To opt out of designation as an HSACU, an authorized official at the institution must submit a declaration of intent not to be considered an HSACU to NIFA by email at NLGCA.status@nifa.usda.gov. In accordance with Section 7101, a declaration by an institution not to be considered an HSACU shall remain in effect until September 30, 2018. Institutions that opt out of HSACU designation will have the option to apply for designation as a Non-Land Grant College of Agriculture (NLGCA) institution. To be eligible for NLGCA designation, institutions must be public colleges or universities offering baccalaureate or higher degrees in the study of food and agricultural sciences, as defined in 7 U.S.C. 3103. An online form to request NLGCA designation is available at <http://nifa.usda.gov/webform/request-non-land-grant-college-agriculture-designation>.

In FY 2014 and FY 2015, six institutions opted out of their HSACU designation and received NLGCA designation, hence they are excluded from the FY 2016 HSACU list.

Appeal Process

As set forth in 7 CFR 3434.8, NIFA will permit HSIs that are not granted HSACU certification to submit an appeal within 30 days of the publication of this notice.

Classification

This rule relates to internal agency management. Accordingly, pursuant to 5 U.S.C. 553, notice of proposed rulemaking and opportunity for comment are not required, and this rule may be made effective less than 30 days after publication in the **Federal Register**. This rule also is exempt from the provisions of Executive Order 12866. This action is not a rule as defined by the Regulatory Flexibility Act, as amended by the Small Business Regulatory Enforcement Fairness Act of 1996, 5 U.S.C. 601 *et seq.*, or the Congressional Review Act, 5 U.S.C. 801 *et seq.*, and thus is exempt from the provisions of those Acts. This rule contains no information collection or recordkeeping requirements under the

Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*).

DEPARTMENT OF TRANSPORTATION

Federal Aviation Administration

14 CFR Part 97

[Docket No. 31055; Amdt. No. 3677]

Standard Instrument Approach Procedures, and Takeoff Minimums and Obstacle Departure Procedures; Miscellaneous Amendments

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Final rule.

SUMMARY: This rule establishes, amends, suspends, or removes Standard Instrument Approach Procedures (SIAPs) and associated Takeoff Minimums and Obstacle Departure Procedures (ODPs) for operations at certain airports. These regulatory actions are needed because of the adoption of new or revised criteria, or because of changes occurring in the National Airspace System, such as the commissioning of new navigational facilities, adding new obstacles, or changing air traffic requirements. These changes are designed to provide safe and efficient use of the navigable airspace and to promote safe flight operations under instrument flight rules at the affected airports.

DATES: This rule is effective February 3, 2016. The compliance date for each SIAP, associated Takeoff Minimums,

and ODP is specified in the amendatory provisions.

The incorporation by reference of certain publications listed in the regulations is approved by the Director of the **Federal Register** as of February 3, 2016.

ADDRESSES: Availability of matters incorporated by reference in the amendment is as follows:

For Examination

1. U.S. Department of Transportation, Docket Ops-M30, 1200 New Jersey Avenue SE., West Bldg., Ground Floor, Washington, DC 20590-0001;

2. The FAA Air Traffic Organization Service Area in which the affected airport is located;

3. The office of Aeronautical Navigation Products, 6500 South MacArthur Blvd., Oklahoma City, OK 73169 or,

4. The National Archives and Records Administration (NARA). For information on the availability of this material at NARA, call 202-741-6030, or go to: http://www.archives.gov/federal_register/code_of_federal_regulations/ibr_locations.html.

Availability

All SIAPs and Takeoff Minimums and ODPs are available online free of charge. Visit the National Flight Data Center at nfdc.faa.gov to register. Additionally, individual SIAP and Takeoff Minimums and ODP copies may be obtained from the FAA Air Traffic Organization Service Area in which the affected airport is located.

FOR FURTHER INFORMATION CONTACT:

Richard A. Dunham III, Flight Procedure Standards Branch (AFS-420), Flight Technologies and Programs Divisions, Flight Standards Service, Federal Aviation Administration, Mike Monroney Aeronautical Center, 6500 South MacArthur Blvd., Oklahoma City, OK 73169 (Mail Address: P.O. Box 25082, Oklahoma City, OK 73125), Telephone: 405-954-4164.

SUPPLEMENTARY INFORMATION: This rule amends Title 14 of the Code of Federal Regulations, Part 97 (14 CFR part 97), by establishing, amending, suspending, or removes SIAPs, Takeoff Minimums and/or ODPs. The complete regulatory description of each SIAP and its associated Takeoff Minimums or ODP for an identified airport is listed on FAA form documents which are incorporated by reference in this amendment under 5 U.S.C. 552(a), 1 CFR part 51, and 14 CFR part 97.20. The applicable FAA forms are FAA Forms 8260-3, 8260-4, 8260-5, 8260-15A, and 8260-15B when required by an entry on 8260-15A.

The large number of SIAPs, Takeoff Minimums and ODPs, their complex nature, and the need for a special format make publication in the **Federal Register** expensive and impractical. Further, airmen do not use the regulatory text of the SIAPs, Takeoff Minimums or ODPs, but instead refer to their graphic depiction on charts printed by publishers of aeronautical materials. Thus, the advantages of incorporation by reference are realized and publication of the complete description of each SIAP, Takeoff Minimums and ODP listed on FAA form documents is unnecessary. This amendment provides the affected CFR sections and specifies the types of SIAPs, Takeoff Minimums and ODPs with their applicable effective dates. This amendment also identifies the airport and its location, the procedure, and the amendment number.

Availability and Summary of Material Incorporated by Reference

The material incorporated by reference is publicly available as listed in the **ADDRESSES** section.

The material incorporated by reference describes SIAPs, Takeoff Minimums and/or ODPs as identified in the amendatory language for part 97 of this final rule.

The Rule

This amendment to 14 CFR part 97 is effective upon publication of each separate SIAP, Takeoff Minimums and ODP as amended in the transmittal. Some SIAP and Takeoff Minimums and textual ODP amendments may have been issued previously by the FAA in a Flight Data Center (FDC) Notice to Airmen (NOTAM) as an emergency action of immediate flight safety relating directly to published aeronautical charts.

The circumstances that created the need for some SIAP and Takeoff Minimums and ODP amendments may require making them effective in less than 30 days. For the remaining SIAPs and Takeoff Minimums and ODPs, an effective date at least 30 days after publication is provided.

Further, the SIAPs and Takeoff Minimums and ODPs contained in this amendment are based on the criteria contained in the U.S. Standard for Terminal Instrument Procedures (TERPS). In developing these SIAPs and Takeoff Minimums and ODPs, the TERPS criteria were applied to the conditions existing or anticipated at the affected airports. Because of the close and immediate relationship between these SIAPs, Takeoff Minimums and ODPs, and safety in air commerce, I find
