

application. However, given the limited purpose served by the application under the SRSA program, the Secretary considers the application requirement to be met if an LEA submitted an SRSA application for any prior year. Unless an LEA advises the Secretary by the application deadline that it is withdrawing its application, the Secretary deems any previously submitted application to remain in effect for FY 2016. Accordingly, an eligible LEA must submit an FY 2016 application only if that LEA has not submitted an application for SRSA funds in any prior year.

We intend to provide, by April 1, 2016, a list of LEAs eligible for FY 2016 funds on the Department's Web site at <http://www2.ed.gov/programs/reapsrsa/eligibility.html>. This list will indicate which eligible LEAs have already met the application requirement, and which eligible LEAs must submit an application to receive an FY 2016 SRSA grant award. All eligible LEAs that need to submit an application will be highlighted in yellow on the SRSA eligibility spreadsheets.

Electronic Submission of Applications

An eligible LEA that is required to submit an application to receive FY 2016 SRSA funds must submit an electronic application by May 2, 2016, 4:30:00 p.m., Washington, DC time. Any application received from an eligible LEA after this deadline will be funded only to the extent that funds are available after the Department awards grants to other eligible LEAs under the program.

Submission of an electronic application involves the use of the Department's G5 System. Prospective applicants can access the electronic application for the SRSA Program at: www.g5.gov. When applicants access this site, they will receive specific instructions regarding the information to include in the SRSA application.
