SUPPLEMENTARY INFORMATION:

Background

Codex was established in 1963 by two United Nations organizations, the Food and Agriculture Organization (FAO) and the World Health Organization (WHO). Through adoption of food standards, codes of practice, and other guidelines developed by its committees, and by promoting their adoption and implementation by governments, Codex seeks to protect the health of consumers and ensure that fair practices are used in the food trade.

The CCCF is responsible for:

- (a) Establishing or endorsing permitted maximum levels, and where necessary, revising existing guideline levels for contaminants and naturally occurring toxicants in food and feed;
- (b) Preparing priority lists of contaminants and naturally occurring toxicants for risk assessment by the Joint FAO/WHO Expert Committee on Food Additives (JECFA);
- (c) Considering and elaborating methods of analysis and sampling for the determination of contaminants and naturally occurring toxicants in food and feed;
- (d) Considering and elaborating standards or codes of practice for related subjects; and

(e) Considering other matters assigned to it by the Commission in relation to contaminants and naturally occurring toxicants in food and feed.

The Committee is chaired by The Netherlands.

Issues To Be Discussed at the Public Meeting

The following items on the Agenda for the 10th Session of the CCCF will be discussed during the public meeting:

- Matters referred to the CCCF by the Codex Alimentarius Commission or its subsidiary bodies;
- Matters of interest arising from FAO and WHO (including JECFA);
- Matters of interest arising from other international organizations;
- Draft maximum level for inorganic arsenic in husked rice (at Step 7 of the Codex Decision Process);
- Proposed draft revision of maximum levels for lead in selected fruits and vegetables (fresh and processed) in the General Standard for Contaminants and Toxins in Food and Feed (at Step 4 of the Codex Decision Process);
- Proposed draft Code of Practice for the prevention and reduction of arsenic contamination in rice;
- Proposed draft maximum levels for cadmium in cocoa and cocoa derived products (at Step 4 of the Codex Decision Process);
- Draft Revision of the Code of Practice for the prevention of mycotoxin contamination in cereals (general provisions) (at Step 7 of the Codex Decision Process);
- Proposed draft Annexes to the Code of Practice for the prevention and reduction of mycotoxin contamination in cereals (at Step 4 of the Codex Decision Process);
- Proposed draft Code of Practice for the prevention and reduction of mycotoxin contamination in spices;
- Discussion paper on an Annex for ergot alkaloids to the Code of Practice for the prevention and reduction of mycotoxin contamination in cereals;
- Discussion paper on the development of maximum levels for mycotoxins in spices;
- Discussion paper on maximum levels for methylmercury in fish; and
- Priority list of contaminants and naturally occurring toxicants for evaluation by JECFA.

Each issue listed will be fully described in documents distributed, or to be distributed, by the Secretariat before the meeting. Members of the public may access or request copies of these documents (see **ADDRESSES**).

Public Meeting

At the March 7, 2016, public meeting, draft U.S. positions on the agenda items will be described and discussed, and attendees will have the opportunity to pose questions and offer comments. Written comments may be offered at the meeting or sent to Dr. Henry Kim for the 10th Session of the CCCF (see **ADDRESSES**). Written comments should state that they relate to activities of the 10th Session of the CCCF.

Additional Public Notification

Public awareness of all segments of rulemaking and policy development is important. Consequently, FSIS will announce this **Federal Register** publication on-line through the FSIS Web page located at: <http://www.fsis.usda.gov/federal-register>.

FSIS also will make copies of this publication available through the FSIS Constituent Update, which is used to provide information regarding FSIS policies, procedures, regulations, **Federal Register** notices, FSIS public meetings, and other types of information that could affect or would be of interest to our constituents and stakeholders. The Update is available on the FSIS Web page. Through the Web page, FSIS is able to provide information to a much broader, more diverse audience. In addition, FSIS offers an email subscription service which provides automatic and customized access to selected food safety news and information. This service is available at: <http://www.fsis.usda.gov/subscribe>. Options range from recalls to export information, regulations, directives, and notices. Customers can add or delete subscriptions themselves, and have the option to password protect their accounts.

Submission for OMB Review; Comment Request

February 5, 2016.

The Department of Agriculture has submitted the following information collection requirement(s) to OMB for review and clearance under the Paperwork Reduction Act of 1995, Public Law 104-13. Comments are requested regarding (1) whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) the accuracy of the agency's estimate of burden including the validity of the methodology and assumptions used; (3) ways to enhance the quality, utility and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Comments regarding this information collection received by March 14, 2016 will be considered. Written comments should be addressed to: Desk Officer for Agriculture, Office of Information and Regulatory Affairs, Office of Management and Budget (OMB), OIRA_Submission@omb.eop.gov or fax (202) 395-5806 and to Departmental Clearance Office, USDA, OCIO, Mail Stop 7602, Washington, DC 20250-7602. Copies of the submission(s) may be obtained by calling (202) 720-8958.

An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it displays a currently valid OMB control number.

Food and Nutrition Service

Title: Child Nutrition Program Operations Study II (CN-OPS II).

OMB Control Number: 0584-NEW.

Summary of Collection: The objective of the Child Nutrition Program Operations Study II (CN-OPS II) is to collect timely data on policy, administrative, and operational issues for the Child Nutrition Programs. The ultimate goal of this study is to analyze these data and to provide input for new legislation on Child Nutrition Programs as well as to provide pertinent technical assistance and training to program implementation staff. The CN-OPS II will help the Food and Nutrition Service (FNS) better understand and address current policy issues related to Child Nutrition Programs (CNP) operations. The policy and operational issues include, but are not limited to, the preparation of the program budget, development and implementation of program policy and regulations, and identification of areas for technical assistance and training.

Need and Use of the Information: This study will provide FNS with the data needed for the evaluation of various policy and operational issues related to CNP operations. This study will assist FNS in obtaining general descriptive data on the Child Nutrition program characteristics needed to respond to questions about the nutrition programs in schools; obtaining data related to program administration for designing and revising program regulations, managing resources, and reporting requirements; and in obtaining data related to program operations to help FNS develop and provide training and technical assistance for the School Food Authorities (SFAs) and State Agencies responsible for administering the Child Nutrition programs.

Description of Respondents: State, Local, or Tribal Government.

Number of Respondents: 3,345.

Frequency of Responses: Reporting: Annually.

Total Burden Hours: 3,792.

Ruth Brown,

Departmental Information Collection Clearance Officer.
