

California, Oregon, Washington and Alaska (excluding waters in Southeastern Alaska and waters north of a line between Gore Point to Cape Suckling [including the North Gulf Coast and Prince William Sound]).”

The complete application is given in DOT docket MARAD–2016–0014 at <http://www.regulations.gov>. Interested parties may comment on the effect this action may have on U.S. vessel builders or businesses in the U.S. that use U.S.-flag vessels. If MARAD determines, in accordance with 46 U.S.C. 12121 and MARAD’s regulations at 46 CFR part 388, that the issuance of the waiver will have an unduly adverse effect on a U.S.-vessel builder or a business that uses U.S.-flag vessels in that business, a waiver will not be granted. Comments should refer to the docket number of this notice and the vessel name in order for MARAD to properly consider the comments. Comments should also state the commenter’s interest in the waiver application, and address the waiver criteria given in § 388.4 of MARAD’s regulations at 46 CFR part 388.

Pipeline Safety: Request for Special Permit

AGENCY: Pipeline and Hazardous Materials Safety Administration (PHMSA); DOT.

ACTION: Notice.

SUMMARY: Pursuant to the Federal pipeline safety laws, PHMSA is publishing this notice of special permit requests we have received from several natural gas pipeline operators, seeking relief from compliance with certain requirements in the Federal pipeline safety regulations. This notice seeks public comments on these requests, including comments on any safety or environmental impacts. At the conclusion of the 30-day comment period, PHMSA will evaluate the requests and determine whether to grant or deny a special permit.

DATES: Submit any comments regarding these special permit requests by March 24, 2016.

ADDRESSES: Comments should reference the docket numbers for the specific special permit request and may be submitted in the following ways:

- *E-Gov Web site:* <http://www.Regulations.gov>. This site allows the public to enter comments on any **Federal Register** notice issued by any agency.
- *Fax:* 1-202-493-2251.

SUPPLEMENTARY INFORMATION: PHMSA has received requests for special permits from pipeline operators who seek relief from compliance with certain pipeline safety regulations. Each request includes a technical analysis and a Draft Environment Assessment (EA) provided by the respective operator. Each request is filed in the Federal Docket Management System (FDMS) and has been assigned a separate docket number in the FDMS. We invite interested persons to participate by reviewing these special permit requests, their supporting EA, and any proposed special permit conditions to maintain pipeline integrity and safety, at <http://www.Regulations.gov>; and by submitting written comments, data or other views. Please include any comments on potential safety or environmental impacts that may result if these special permits are granted.

Before acting on these special permit requests, PHMSA will evaluate all comments received on or before the comments closing date. Comments will be evaluated after this date if it is possible to do so without incurring additional expense or delay. PHMSA will consider each relevant comment we receive in making our decision to grant or deny the request.
