[Docket ID FEMA-2017-0015; OMB No. 1660-0025]

Agency Information Collection Activities: Proposed Collection; Comment Request; Non-Disaster (ND) Grants System.

AGENCY: Federal Emergency Management Agency, DHS.

ACTION: Notice.

SUMMARY: The Federal Emergency Management Agency, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on a revision of a currently approved information collection. In accordance with the Paperwork Reduction Act of 1995, this notice seeks comments concerning the Non-Disaster (ND) Grants System.

FOR FURTHER INFORMATION CONTACT:

Everett Yuille, Branch Chief (Systems and Business Support Branch), FEMA, Grant Programs Directorate, Grant Operations Division, at (202) 786-9457. You may contact the Records Management Division for copies of the proposed collection of information at email address: FEMA-Information-Collections-Management@fema.dhs.gov.

SUPPLEMENTARY INFORMATION: Title 2 CFR, Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, establishes uniform administrative requirements, cost principles, and audit requirements for FEMA. In order to minimize the administrative burden for State and local partners to manage grants, it is necessary to standardize FEMA's grant administration processes. Currently, FEMA relies on multiple separate grants management systems and manual processes to perform its grants management functions. FEMA is revising this collection of information by fully integrating and automating these systems through ND Grants (<https://portal.fema.gov>), through which FEMA will implement a single, integrated, web-based, grants data collection and management system. With ND Grants, FEMA seeks to meet the intent of the E-Government initiative, authorized by Public Law 106-107, passed on November 20, 1999, that requires that all government agencies both streamline grant application processes and provide a mechanism to electronically create, review, and submit a grant application via the Internet.
