#### SUPPLEMENTARY INFORMATION:

##### Background

Section 641 of the Tariff Act of 1930,  
as amended (19 U.S.C. 1641), provides  
that a person (an individual,  
corporation, association, or partnership)  
must hold a valid customs broker's  
license and permit in order to transact  
customs business on behalf of others,  
sets forth standards for the issuance of  
broker's licenses and permits, and  
provides for the taking of disciplinary  
action against brokers that have engaged  
in specified types of infractions. This  
section also provides that an  
examination may be conducted to assess  
an applicant's qualifications for a  
license.

The regulations issued under the  
authority of section 641 are set forth in  
Title 19 of the Code of Federal  
Regulations, part 111 (19 CFR 111). Part  
111 sets forth the regulations regarding  
the licensing of, and granting of permits  
to, persons desiring to transact customs  
business as customs brokers. These  
regulations also include the  
qualifications required of applicants and  
the procedures for applying for licenses

and permits. Section 111.11 of the CBP  
Regulations (19 CFR 111.11) sets forth  
the basic requirements for a broker's  
license and in paragraph (a)(4) of that  
section provides that an applicant for an  
individual broker's license must attain a  
passing grade (75 percent or higher) on  
a written examination.

Section 111.13 of the CBP Regulations  
(19 CFR 111.13) sets forth the  
requirements and procedures for the  
written examination for an individual  
broker's license and states that written  
customs broker license examinations  
will be given on the first Monday in  
April and October unless the regularly  
scheduled examination date conflicts  
with a national holiday, religious  
observance, or other foreseeable event.

To avoid concerns related to the  
commencement of the federal  
government's 2018 fiscal year, CBP has  
decided to change the regularly  
scheduled date of the examination. This  
document announces that CBP has  
scheduled the October 2017 customs  
broker's license examination for  
Wednesday, October 25, 2017.

Dated: June 7, 2017.

## DEPARTMENT OF HOMELAND SECURITY

### Office of the Secretary

[Docket No. DHS-2017-0019]

#### Privacy Act of 1974; System of Records

**AGENCY:** Privacy Office, Department of  
Homeland Security.

**ACTION:** Notice of modified Privacy Act  
System of Records.

**SUMMARY:** In accordance with the  
Privacy Act of 1974, the Department of  
Homeland Security proposes to modify  
and reissue a current Department of  
Homeland Security system of records  
titled, "Department of Homeland  
Security/ALL-025 Law Enforcement  
Authority in Support of the Protection  
of Property Owned, Occupied, or  
Secured by the Department of  
Homeland Security System of Records." This system of records allows the  
Department of Homeland Security to  
collect and maintain records on the  
results of law enforcement activities in  
support of the protection of property  
owned, occupied, or secured by the  
Department of Homeland Security and  
its Components, including the Federal

Protective Service, and individuals  
maintaining a presence or access to such  
property. The Department of Homeland  
Security is updating this system of  
records notice to, among other things,  
(1) modify the category of individuals,  
(2) modify the category of records, (3)  
modify two existing routine uses, and  
(4) add a new routine use. The  
Department of Homeland Security is  
also issuing a Notice of Proposed  
Rulemaking to add a new exemption  
from certain provisions of the Privacy  
Act, elsewhere in the **Federal Register**.  
This new exemption is needed to  
protect information relating to DHS  
activities from disclosure to subjects or  
others related to these activities.  
Specifically, the additional exemptions  
are required to preclude subjects of  
these activities from frustrating ongoing  
operations; to avoid disclosure of  
activity techniques; to protect the  
identities and physical safety of  
confidential informants and law  
enforcement personnel; to ensure DHS's  
ability to obtain information from third  
parties and other sources; to protect the  
privacy of third parties; and to safeguard  
classified information. Disclosure of  
information to the subject of the inquiry  
could also permit the subject to avoid  
detection or apprehension. The existing  
Privacy Act exemptions for this system  
of records continue to apply to it.  
Additionally, this notice includes non-  
substantive changes to simplify the  
formatting and text of the previously  
published notice.

This system of records notice does not  
apply to the facilities and perimeters  
secured by the U.S. Secret Service.  
Records pertaining to perimeters and  
facilities secured by the U.S. Secret  
Service, other than those records subject  
to the Presidential Records Act, are  
covered under Department of Homeland  
Security/U.S. Secret Service-004  
Protection Information System of  
Records, 76 FR 66940, October 28, 2011.

This modified system will be  
included in the Department of  
Homeland Security's inventory of  
record systems.

**DATES:** Submit comments on or before  
July 14, 2017. This modified system will  
be effective July 14, 2017.
