

Finally, the Exchange believes that the proposed rule changes are designed to not permit unfair discrimination among market participants. For example all TPHs may request access to CTM. Additionally, all TPHs will be subject to the same limitations as to the permitted uses of CTM functionality.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange believes that proposed Rule 6.49 will promote competition by making the CTM functionality more understandable to users and the general public. The Exchange believes that by better explaining its CTM functionality to TPHs and codifying the permitted uses of CTM, TPHs will better understand the Exchange's systems. The Exchange believes that additional clarity and transparency in the Rules will make it easier for market participants to compete with one another on equal footing in the markets and ultimately benefits all investors.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither solicited nor received written comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act¹¹ and Rule 19b-4(f)(6)¹² thereunder.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of

investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission will institute proceedings to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments
