

INVESTMENTS—PART 703 SUBPART A—Continued

Item	Change	Rationale
23. Grandfathered Investments § 703.18	Remove sections that will no longer apply based on other changes in the rule.	Some parts of the section may not apply due to other changes in the rule.
24. Investment Pilot Program § 703.19	Remove this section	Pilot programs will no longer be needed with the proposed changes.
25. Request for Additional Authority § 703.20 ...	Remove this section	Will no longer be needed with the removal or alignment of the restrictions in other sections.

DERIVATIVES—PART 703 SUBPART B AND RELATED ITEMS

Item	Change	Rationale
1. “Move” Put-option purchases in managing increased interest-rate risk for real estate loans produced for sale on the secondary market, in 701.21(i) to 703.102(a).	Move the product to the Subpart B permissible derivative products.	This would consolidate into one place all permissible derivative activities.
2. “Move” European financial options contract in 703.14(g) to 703.102(a).	Move the product to the Subpart B permissible derivative products.	This would consolidate into one place all permissible derivative activities.
3. “Rename” 703 Subpart B from “Derivatives Authority” to “Derivatives and Hedging Authority”.	Name change	Would widen the rule to address off balance sheet hedging instruments that are permissible.
4. “Move and Modify” Derivatives section in 703.14(k) to 703 Subpart B.	With the move, remove 703.14(k)(1), move 703.14(k)(2) to 703.100 and move 703.14(k)(3) to 703.102.	Would provide more clarity on hedging activities for TBA, Dollar Rolls, etc.
5. “Modify” Derivatives Application process to “Notification”.	Remove the FCU application requirements and replace with a “Notification”. This would require changes to § 703.108, § 703.109, § 703.110, § 703.111, § 703.112.	The “Notification” requirements would include providing NCUA with at least 60 day notice before initially engaging in a Derivative transaction.
6. “Remove” Derivatives Regulatory Limits	Remove the volume limits on derivatives activity. This would require changes to § 703.103, § 703.105, Appendix A.	Will be better supported as part of supervision guidance and possible use as scoping metrics.
7. “Expand” Eligible Collateral for Margining	Expand the eligible collateral in 703.104(a)(2)(iii) to include Agency Debt (Ginnie Mae Securities).	This is an acceptable practice and should have been in the Final Rule.
8. “Modify” Eligibility (only part)	Remove or change 703.108(b) to require notice but not pre-approval, and re-evaluate the CAMEL and asset size eligibility criteria.	Allows for more credit unions to use derivatives to manage interest rate risk subject to supervisory intervention if they are not equipped to manage it properly.
9. “Modify” Notification requirement for FISCUS	Change 741.219(b)	Make consistent with FCU notification requirements.
10. “Remove” Pilot Program Participants	Change 703.113	Not relevant anymore.

IV. Request for Comment

Executive Order 13777 requires that “each Regulatory Reform Task Force shall seek input and other assistance, as permitted by law, from entities significantly affected by Federal regulations, including State, local, and tribal governments, small businesses, consumers, non-governmental organizations, and trade associations.” In compliance with the spirit of the Executive Order, the Board seeks comments on all aspects of the Task Force’s report.

Commenters are also encouraged to discuss any other relevant issues they believe NCUA should consider with respect to reducing regulatory burden and fulfilling the aims of Executive Order 13777. The Board requests that, to the extent feasible, commenters provide documentation to support any recommendations.
