Oil Country Tubular Goods From the Republic of Turkey: Preliminary Results of Countervailing Duty Administrative Review and Rescission of Countervailing Duty Administrative Review, in Part

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) is conducting an administrative review of the countervailing duty (CVD) order on Oil Country Tubular Goods (OCTG) from the Republic of Turkey (Turkey). The period of review (POR) is January 1, 2015, through December 31, 2015. The Department initiated this administrative review with respect to the following producers/exporters of subject merchandise: Borusan Mannesmann Boru Sanayi ve Ticaret A.S. and Borusan Istikbal Ticaret (collectively, Borusan); and Toscelik Profil ve Sac Endustrisi A.Ş. and Tosyali Dis Ticaret A. Ş. (collectively, Toscelik). We preliminarily find that Borusan received countervailable subsidies at *de minimis* levels during the POR. Additionally, as a result of the final and conclusive decision by the Court of Appeals for the Federal Circuit related to the underlying CVD investigation of OCTG from Turkey, which resulted in Toscelik being excluded from the CVD order, we are rescinding the administrative review with respect to Toscelik. Interested parties are invited to comment on these preliminary results.

DATES: Applicable October 6, 2017.

FOR FURTHER INFORMATION CONTACT: Jennifer Shore or Aimee Phelan, AD/CVD Operations, Office I, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-2778 or (202) 482-0697, respectively.

SUPPLEMENTARY INFORMATION:**Background**

On September 8, 2016, the Department published a notice of opportunity to request an administrative review of the CVD order on OCTG from Turkey for the period January 1, 2015, through December 31, 2015.¹ On

September 30, 2016, the Department received review requests from Borusan and Toscelik.² On November 9, 2016, the Department published a notice of initiation of administrative review for this CVD order.³ On May 17, 2017, the Department postponed the deadline for issuing the preliminary results of this administrative review until October 2, 2017.⁴ On September 27, 2017, the Department amended the CVD order on OCTG from Turkey to exclude Toscelik.⁵

Scope of the Order

The merchandise covered by the order is certain OCTG, which are hollow steel products of circular cross-section, including oil well casing and tubing, of iron (other than cast iron) or steel (both carbon and alloy), whether seamless or welded, regardless of end finish (e.g., whether or not plain end, threaded, or threaded and coupled) whether or not conforming to American Petroleum Institute (API) or non-API specifications, whether finished (including limited service OCTG products) or unfinished (including green tubes and limited service OCTG products), whether or not thread protectors are attached. The scope of the order also covers OCTG coupling stock. A full description of the scope of the Order is contained in the Preliminary Decision Memorandum, which is hereby adopted by this notice.⁶

Methodology

We are conducting this administrative review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found to be countervailable, we preliminarily find that there is a subsidy, i.e., a financial contribution by an “authority” that gives rise to a benefit to the recipient,

Partial Rescission of Administrative Review

As stated above, the Department initiated an administrative review of Toscelik for the period January 1, 2015 through December 31, 2015.⁸ However, subsequent to the final and conclusive decision by the Court of Appeals for the Federal Circuit related to the underlying CVD investigation of OCTG from Turkey,⁹ Toscelik was excluded from the CVD order. On September 27, 2017, the Department amended the CVD order on OCTG from Turkey to exclude Toscelik.¹⁰ Accordingly, we are rescinding this administrative review with respect to Toscelik.

Assessment Rates

Consistent with section 751(a)(1) of the Act and 19 CFR 351.212(b)(2), upon issuance of the final results, the Department will determine, and U.S. Customs and Border Protection (CBP) shall assess, countervailing duties on all appropriate entries covered by this review. We intend to issue instructions to CBP 15 days after publication of the final results of this review.

As a result of Toscelik's exclusion from the CVD order on OCTG from Turkey, the Department will instruct CBP to terminate the suspension of liquidation of entries of subject merchandise where Toscelik acted as both the producer and exporter during the period January 1, 2015, through December 31, 2015, and to liquidate, without regard to countervailing duties, all entries of OCTG produced and exported by Toscelik currently suspended. Entries of subject merchandise exported to the United States by any other producer and exporter combination involving Toscelik are not entitled to this exclusion from suspension of liquidation and are subject to the cash deposit rate for the "all others" entity. The Department intends to issue appropriate assessment instructions directly to CBP 15 days after publication of this notice in the **Federal Register**.

Cash Deposit Requirements

In accordance with section 751(a)(2)(C) of the Act, the Department intends to instruct CBP to collect cash deposits of estimated countervailing duties in the amount shown above for Borusan, should the final results of this administrative review remain the same as these preliminary results; if the rate is zero or *de minimis*, then zero cash deposit will be required. For all non-reviewed firms, we will instruct CBP to continue to collect cash deposits at the most recent company specific or all-others rate applicable to the company. These cash deposit requirements, when imposed, shall remain in effect until further notice.
