**Agency Forms Undergoing Paperwork Reduction Act Review—Evaluation of the National Tobacco Prevention and Control Public Education Campaign; Correction**

**AGENCY:** Centers for Disease Control and Prevention (CDC), Department of Health and Human Services (HHS).

**ACTION:** Notice; correction.

**SUMMARY:** The Centers for Disease Control and Prevention (CDC) published a document in the **Federal Register** on October 13, 2017, concerning request for comments on Agency Forms Undergoing Paperwork Reduction Act Review—Annual Progress Report (APR) for Injury Control Research Centers (ICRC). The document provided the incorrect proposed project title, number of annual reporting responses for each respondent and average burden per response estimate.

**FOR FURTHER INFORMATION CONTACT:** Leroy Richardson, 1600 Clifton Road, MS D-74, Atlanta, GA 30333; telephone (404) 639-4965; email: *omb@cdc.gov*.

**Correction**

In the **Federal Register** of October 13, 2017, in FR Doc. 2017-22197, on page 47746, in the second column (first heading), correct the proposed project type to read:

Progress Report for Injury Control Research Centers (ICRC)—New—National Center for Injury Prevention and Control (NCIPC), Centers for Disease Control and Prevention (CDC).

CDC also requests the correction of the following: On page 47746, in the third column (second paragraph), correct the second sentence as follows: ICRC awardees will report activity information to CDC twice per year using three fillable electronic templates.

Also on page 47746 (third column and last paragraph), correct the paragraph to read as follows: Submission of the Annual Progress Report information is required for cooperative agreement grantees. The **Federal Register** Notice published on February 10, 2017, described each grantee’s total annualized burden as 50 hours, with a reporting frequency of once per year. In the information collection request submitted to OMB for review, CDC still estimates each grantee’s total annualized burden at 50 hours, but CDC will distribute burden over two reports per year. CDC has made the appropriate adjustments in the estimated burden per response and number of responses per respondent. The total estimated annualized burden hours are 500. There is no cost to respondents other than their time.

Finally, on page 47747, correct the table for the Estimated Annualized Burden Hours as follows:

Type of respondents	Form name	Number of respondents	Number of responses per respondent	Average burden per response (in hours)
Injury Control Research Center (ICRC) Grantees.	ICRC Indicators Data Collection .....	10	2	10
	ICRC Indicators Data Collection: Non-CDC Study Supplement.	10	2	5
	ICRC Personnel and Publication Excel Data Collection.	10	2	10

The Certification of Maintenance of

 statutorily required information  
 regarding each state's contribution to  
 programs funded under the Older

 legislative requirements, pertinent  
 Federal regulations, and other  
 applicable instructions and guidelines  
 issued by ACL.

In addition to renewing OMB

 Ombudsman program minimum

 and state authorization to expend Title  
 III-B funds on Ombudsman activities.  
 Specifically, changes include making  
 the reference to the Fiscal Year at the  
 bottom of the form a fillable field to  
 allow the date to be changed annually;  
 listing the "Administration for  
 Community Living (ACL)" as the  
 intended recipient of the completed  
 form; and updating statutory language  
 references, *i.e.*, Section 306(a)(9), which  
 is provided on the second page, to  
 reflect changes made during the 2016  
 reauthorization of the OAA.

**Comments in Response to the 60-Day  
 Federal Register Notice**

A 60-Day notice was published in the  
**Federal Register** in Vol. 82, No. 137, on  
 June 19, 2017. No comments were  
 received.

**Annual Burden Estimates**

ACL estimates the burden of this  
 collection of information as follows: 56  
 State Agencies on Aging respond  
 annually, and it takes each agency an  
 average of one half (1/2) hour per State  
 agency per year to complete each form  
 for a total of twenty-eight hours for all  
 state agencies annually. The half hour  
 estimate is based on prior years'  
 experience with States in completing  
 these forms.

The proposed data collection tool may  
 be found on the ACL Web site for  
 review at: <https://www.acl.gov/about-acl/public-input>.
