Public Land Order No. 7863; Partial Revocation of Public Land Order No. 3708; Alaska

AGENCY: Bureau of Land Management, Interior.

ACTION: Public Land Order.

SUMMARY: This order revokes Public Land Order No. 3708, insofar as it affects 709.17 acres of public lands near Fairbanks, Alaska, which reserved lands for use by the National Oceanic and Atmospheric Administration (NOAA). The NOAA has determined the lands are no longer needed for the purpose for which they were withdrawn.

DATES: This Public Land Order is effective on October 24, 2017.

FOR FURTHER INFORMATION CONTACT: David V. Mushovic, BLM Alaska State Office, 222 West Seventh Avenue, Mailstop #13, Anchorage, Alaska 99513-7504, 907-271-4682, or by email at dmushovi@blm.gov. Persons who use a telecommunications device for the deaf (TDD) may call the Federal Relay Service (FRS) at 1-800-877-8339 to contact the above individual during normal business hours. The FRS is available 24 hours a day, 7 days a week, to leave a message or question with the above individual. You will receive a reply during normal business hours.

SUPPLEMENTARY INFORMATION: The NOAA has determined that 709.17 acres of land withdrawn by Public Land Order No. 3708 is excess to its needs and has requested a partial revocation of the withdrawal. Upon revocation, the selection applications made by the State of Alaska under the Alaska Statehood Act and the Alaska National Interest Lands Conservation Act become effective without further action by the

State, if such land is otherwise available. Lands selected by, but not conveyed to, the State are subject to the terms and conditions of Public Land Order No. 5186 (37 FR 5589, March 16, 1972), as amended, and any other withdrawal, application, or segregation of record. The partial revocation of the withdrawal will not result in a significant restriction on subsistence uses while the lands remain in Federal ownership. Any significant restriction on subsistence uses, due to subsequent conveyance of the lands to the State of Alaska, would be unavoidable under Section 810(c) of the Alaska National Interest Lands Conservation Act because the lands would be conveyed pursuant to the Alaska Statehood Act.
