SUPPLEMENTARY INFORMATION: This ICR seeks to extend PRA authority for the Material Hoists, Personnel Hoists, and Elevators Standard information collection requirements codified in regulations 29 CFR 1926.552. Specifically, the Standard requires the following: Posting rated load capacities, recommended operating speeds, and special hazard warnings or instructions on cars and platforms; establishing and posting operating rules, including a signal system and allowable line speed for various loads, for material hoists at the operator's station of a hoist; and providing cars with a capacity and data plate secured in a conspicuous place on the car or crosshead. The Standard also specifies certification and recordkeeping requirements related to required testing and inspection of hoists. Occupational Safety and Health Act of 1970 sections 2(b)(9) and 8(c) authorize this information collection. See 29 U.S.C. 651(b)(9) and 657(c).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a

collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1218–0231.

OMB authorization for an ICR cannot be for more than three (3) years without renewal, and the current approval for this collection is scheduled to expire on October 31, 2017. The DOL seeks to extend PRA authorization for this information collection for three (3) more years, without any change to existing requirements. The DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on August 8, 2017 (82 FR 37120).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the **ADDRESSES** section within thirty (30) days of publication of this notice in the **Federal Register**. In order to help ensure appropriate consideration, comments should mention OMB Control Number 1218–0231.

The OMB is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.
