SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-82114; File No. SR-BOX-2017-34]

Self-Regulatory Organizations; BOX Options Exchange LLC; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend Rule 7050 (Minimum Trading Increments)

November 17, 2017.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on November 8, 2017, BOX Options Exchange LLC (the "Exchange") filed with the Securities and Exchange Commission

("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Rule 7050 (Minimum Trading Increments). The text of the proposed rule change is available from the principal office of the Exchange, at the Commission's Public Reference Room and also on the Exchange's Internet Web site at <http://boxoptions.com>.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Currently, BOX Rule 7050(a) establishes minimum trading increments for single leg options contracts traded on BOX. Rule 7050(a) states that with regard to minimum trading increments for single leg options contracts, "the following principles shall apply: (1) If the options contract is trading at less than \$3.00 per option, five (5) cents; (2) if the options contract is trading at \$3.00 per option or higher, ten (10) cents; and (3) if the options contract is traded pursuant to the procedures of the Improvement Period in Rules 7150 then one (1) cent." Further, BOX Rule 7050(b) establishes an exception³ to 7050(a) while Rule 7050(c) and (d) establish cross references to existing rules with

²⁸ 17 CFR 200.30-3(a)(12).

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

³ Rule 7050(b) states that "the Exchange will operate a pilot program to permit options classes to be quoted and traded in increments as low as one (1) cent."

different minimum trading increments than those outlined in Rule 7050(a).⁴

The purpose of the proposed rule change is to amend Rule 7050 to establish a cross reference to an existing rule about minimum trading increments with regard to Complex Orders. Specifically, the Exchange proposes Rule 7050(e) which states that notwithstanding any provision of Rule 7050, the minimum trading increment for Complex Orders shall be determined in accordance with Rule 7240(b)(1).⁵ The Exchange notes that the proposed change will provide clarity with respect to the Exchange's minimum trading increment rule and how it relates to Complex Orders on the Exchange.

2. Statutory Basis

The Exchange believes that the proposal is consistent with the requirements of Section 6(b) of the Act,⁶ in general, and Section 6(b)(5) of the Act,⁷ in particular, in that it is designed to promote just and equitable principles of trade, remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general protect investors and the public interest. The Exchange believes it is appropriate to make the proposed change to its rules so that market participants and investors have a clear and accurate understanding of the meaning of the Exchange's rules. By adding the proposed language, the Exchange is eliminating any potential for confusion and ensuring that market participants, regulators and the public can more easily navigate the Exchange's Rulebook. The Exchange believes that the proposed rule change is not unfairly discriminatory because it treats all market participants equally and will not have an adverse impact on any market participant.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. In particular, the Exchange does not believe that the

proposal will impose a burden on intermarket competition because the proposed change simply attempts to clarify the Exchange rules and reduce any potential for investor confusion. Further, the Exchange does not believe that the proposed rule change imposes a burden on intramarket competition because the proposed provision applies to all market participants equally. As such, the Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange has neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the proposed rule change does not (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act⁸ and Rule 19b-4(f)(6) thereunder.⁹

A proposed rule change filed pursuant to Rule 19b-4(f)(6) under the Act¹⁰ normally does not become operative for 30 days after the date of its filing. However, Rule 19b-4(f)(6)(iii)¹¹ permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Commission believes that waiver of the operative delay is consistent with the protection of investors and the public interest because the proposal will provide additional clarity to the Exchange's rules and reduce the potential for investor confusion. As noted above, BOX Rule 7050 establishes the

minimum trading increment for single options traded on the Exchange. The proposal modifies BOX Rule 7050 by adding a cross-reference to indicate that the trading increment for complex orders appears in existing BOX Rule 7240(b)(1). The Commission notes that the proposal does not modify the trading increment for complex orders. Accordingly, the Commission hereby waives the operative delay and designates the proposal as operative upon filing.¹²

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or

Summary of the Application

1. Applicants request an order that would allow Funds to operate as index exchange traded funds ("ETFs").¹ Fund shares will be purchased and redeemed at their NAV in Creation Units only. All orders to purchase Creation Units and all redemption requests will be placed by or through an "Authorized Participant", which will have signed a participant agreement with the Distributor. Shares will be listed and traded individually on a national securities exchange, where share prices will be based on the current bid/offer market. Any order granting the requested relief would be subject to the terms and conditions stated in the application.

2. Each Fund will hold investment positions selected to correspond closely to the performance of an underlying index. In the case of self-indexing Funds, an affiliated person, as defined in section 2(a)(3) of the Act ("Affiliated Person"), or an affiliated person of an Affiliated Person ("Second-Tier Affiliate"), of the Company or a Fund, of an Adviser, of any sub-adviser to or promoter of a Fund, or of the Distributor will compile, create, sponsor, or maintain the underlying index.²

¹ Applicants request that the order apply to the existing series of the Company that are index ETFs and any additional series of the Company, and any other open-end management investment company or series thereof, that may be created in the future (each, included in the term "Fund"), each of which will operate as an ETF and will track a specified index comprised of domestic or foreign equity and/or fixed income securities (each, an "Underlying Index"). Any Fund will (a) be advised by the Initial Adviser or an entity controlling, controlled by, or under common control with the Initial Adviser (each, an "Adviser") and (b) comply with the terms and conditions of the application.

² Each Self-Indexing Fund will post on its Web site the identities and quantities of the investment positions that will form the basis for the Fund's calculation of its NAV at the end of the day. Applicants believe that requiring Self-Indexing Funds to maintain full portfolio transparency will help address, together with other protections, conflicts of interest with respect to such Funds.
