

not be knowingly disclosed, and have not been submitted for the purpose of restricting competition. This clause does not apply to commercial items.

2. Contractor Code of Business Ethics and Conduct (FAR 52.203–13). This clause implements Government policy and Public Law 110–252, Title VI (Close the Contractor Fraud Loophole Act). It requires contractors to notify the respective agency Office of Inspector General when the contractor has credible evidence that the contractor's principal, employee, agent, or subcontractor committed a violation of certain Federal criminal laws, or a violation of the Civil False Claims Act.

The objective of the notification requirement is to emphasize the critical importance of integrity in contracting and reduce the occurrence of improper or criminal conduct in connection with the award and performance of Federal contracts and subcontracts. Information obtained from the notification requirements will be provided to the agency Inspector General by the contractor.

3. Preventing Personal Conflicts of Interest (FAR 52.203–16). In accordance with 41 U.S.C. 2303, this clause requires contractors and subcontractors to: (a) Identify and prevent personal conflicts of interest of their covered employees; and (b) prohibit covered employees who have access to non-public information by reason of performance on a Government contract from using such information for personal gain. Contractors are required to notify contracting officers whenever they become aware of any personal conflict of interest violations by a covered employee. The objective of the notification requirement is to emphasize the critical importance of integrity in contracting and reduce the occurrence of improper or criminal conduct in connection with the award and performance of Federal contracts and subcontracts. Information obtained from the notification requirements will be provided to the agency Inspector General by the contractor. In addition, contractors have the opportunity, in exceptional circumstances, to request mitigation or waiver of the personal conflict-of-interest standards. The information is used by the Government to evaluate the requested mitigation/waiver.

The information provided to and by contractors in accordance with the clause at FAR 52.203–16 is used by the contractor and the contracting officer to identify and mitigate personal conflicts of interest in compliance with Government policy to (a) identify and prevent personal conflicts of interest of

covered employees; and (b) prohibit covered employees who have access to non-public information by reason of performance on a Government contract from using such information for personal gain (FAR 3.1102). A notice was published in the **Federal Register** at 82 FR 40582 on August 25, 2017. No comments were received.

#### SUPPLEMENTARY INFORMATION:

##### A. Purpose

When the Government awards a cost-reimbursement construction contract, the contractor must submit to the contracting officer—and keep current a chart showing the general executive and administrative organization—the personnel to be employed in connection with the work under the contract, and their respective duties. The chart is used in the administration of the contract and as an aid in determining cost. The chart is used by contract administration personnel to assure the work is being properly accomplished at reasonable prices.

The burden hours under FAR 52.236–19 were reduced based on FY 2017 FPDS data that showed the actual number of respondents for this type of requirement. A notice published in the *Federal Register* at 82 FR 51254 on November 3, 2017. No comments were received.

##### B. Annual Reporting Burden

*Respondents:* 19.

*Responses per Respondent:* 1.

*Annual Responses:* 19.
