Information Collection Request

Title: Certificate of Discharge to Merchant Mariner.

OMB Control Number: 1625–0012.

Summary: Title 46, U.S.C. 10311 requires each master or individual in charge of a vessel, to prepare a Certificate of Discharge to Merchant Mariner for each mariner being discharged from the vessel. These documents are used to establish evidence of sea service aboard U.S. flagged merchant vessels for merchant mariners to upgrade their credentials, establish proof of eligibility for union and other benefits, and in litigation when vessel service is an issue.

Need: The information collected provides the U.S. Coast Guard evidence of sea service used in determining eligibility for issuance of a merchant mariner credential, to determine eligibility for various benefits such as medical and retirement, and to provide information to the U.S. Maritime Administration (MARAD) on the availability of mariners in a time of a national emergency.

Forms: CG–718A, Certificate of Discharge to Merchant Mariner.

Respondents: Shipping companies, master or individuals in charge of a vessel.

Frequency: On occasion.

Hour Burden Estimate: The estimated annual burden remains 1,478 hours.

Authority: The Paperwork Reduction Act of 1995; 44 U.S.C. Chapter 35, as amended.

Dated: February 26, 2018.

James D. Roppel,

U.S. Coast Guard, Acting Chief, Office of Information Management.

SUPPLEMENTARY INFORMATION:

Public Participation and Request for Comments

This Notice relies on the authority of the Paperwork Reduction Act of 1995; 44 U.S.C. chapter 35, as amended. An ICR is an application to OIRA seeking the approval, extension, or renewal of a Coast Guard collection of information (Collection). The ICR contains information describing the Collection's purpose, the Collection's likely burden on the affected public, an explanation of the necessity of the Collection, and other important information describing the Collection. There is one ICR for each Collection.

The Coast Guard invites comments on whether this ICR should be granted based on the Collection being necessary for the proper performance of Departmental functions. In particular, the Coast Guard would appreciate comments addressing: (1) The practical utility of the Collection; (2) the accuracy of the estimated burden of the Collection; (3) ways to enhance the quality, utility, and clarity of information subject to the Collection; and (4) ways to minimize the burden of the Collection on respondents, including the use of automated collection techniques or other forms of information technology. In response to your comments, we may revise this ICR or decide not to seek an extension of approval for the Collection. We will consider all comments and material received during the comment period.

We encourage you to respond to this request by submitting comments and related materials. Comments must contain the OMB Control Number of the ICR and the docket number of this request, [USCG–2018–0138], and must be received by May 1, 2018.

Information Collection Request

Title: State Access to the Oil Spill Liability Trust Fund for removal costs under the Oil Pollution Act of 1990.

OMB Control Number: 1625–0068.

Summary: This information collection is the mechanism for a Governor, or their designated representative, of a state to make a request for payment from the Oil Spill Liability Trust Fund (OSLTF) in an amount not to exceed \$250,000 for removal cost consistent with the National Contingency Plan required for the immediate removal of a discharge, or the mitigation or prevention of a substantial threat of discharge, of oil.

Need: This information collection is required by 33 CFR part 133, for implementing 33 U.S.C. 2712(d)(1) of the Oil Pollution Act of 1990 (OPA 90). The information provided by the State to the National Pollution Funds Center (NPFC) is used to determine whether expenditures submitted by the state to the OSLTF are compensable, and, where compensable, to ensure the correct
