

imported as an assembly with a tire mounted on the rim and/or with a valve stem are included in the scope of this investigation. However, if the steel wheels or rims are imported as an assembly with a tire mounted on the wheel or rim and/or with a valve stem attached, the tire and/or valve stem is not covered by the scope.

The scope includes rims, discs, and wheels that have been further processed in a third country, including, but not limited to, the painting of wheels from China and the welding and painting of rims and discs from China to form a steel wheel, or any other processing that would not otherwise remove the merchandise from the scope of the investigations if performed in China.

Excluded from this scope are the following:

(1) Steel wheels for use with tube-type tires; such tires use multi piece rims, which are two-piece and three-piece assemblies and require the use of an inner tube; (2) aluminum wheels; (3) certain on-the-road steel wheels that are coated entirely in chrome; (4) steel wheels that do not meet Standard 110 or 120 of the NHTSA's requirements other than the rim marking requirements found in 49 CFR 571.110S4.4.2 and 571.120S5.2; (5) steel wheels that meet the following specifications: steel wheels with a nominal wheel diameter ranging from 15 inches to 16.5 inches, with a rim width of 8 inches or greater, and a wheel backspacing ranging from 3.75 inches to 5.5 inches; and (6) steel wheels with wire spokes.

Certain on-the-road steel wheels subject to this investigation are properly classifiable under the following category of the Harmonized Tariff Schedule of the United States (HTSUS): 8716.90.5035 which covers the exact product covered by the scope whether entered as an assembled wheel or in components. Certain on-the-road steel wheels entered with a tire mounted on them may be entered under HTSUS 8716.90.5059 (Trailers and semi-trailers; other vehicles, not mechanically propelled, parts, wheels, other, wheels with other tires) (a category that will be broader than what is covered by the scope). While the HTSUS subheadings are provided for convenience and customs purposes, the written description of the subject merchandise is dispositive.

Duty Assessment

Pursuant to section 751(a)(2)(C) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.212(b)(1), Commerce will determine, and U.S. Customs and Border Protections (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the final results of this review. We will calculate importer-specific assessment rates on the basis of the ratio of the total amount of antidumping duties calculated for each importer's examined sales and the total entered value of the sales in accordance with 19 CFR 351.212(b)(1).

⁵ See Issues and Decision Memorandum at 4–5; see also Memoranda, “Analysis Memorandum for Maquilacero S.A. de C.V. in the Final Results of the 2016/2017 Administrative Review of the Antidumping Duty Order on Light-Walled Rectangular Pipe and Tube from Mexico,” and “Analysis Memorandum for Regiomontana de Perfiles y Tubos, S.A. de C.V. in the Final Results of the 2016/2017 Administrative Review of the Antidumping Duty Order on Light-Walled Rectangular Pipe and Tube from Mexico,” both dated concurrently with this notice.

⁶ For Perfiles y Herrajes LM, S.A. de C.V. and Productos Laminados de Monterrey S.A. de C.V. which were not selected for individual review, we assigned a rate based on the rates for the respondents that were selected for individual review, excluding rates that are zero, de minimis or based entirely on facts available. See section 735(c)(5)(A) of the Act.

⁷ See *Light-Walled Rectangular Pipe and Tube from Mexico: Initiation and Expedited Preliminary Results of Changed Circumstances Review*, 82 FR 54322 (November 17, 2017) and accompanying Preliminary Decision Memorandum, unchanged in *Light-Walled Rectangular Pipe and Tube from Mexico: Final Results of Changed Circumstances Review*, 83 FR 13475 (March 29, 2018) (Commerce determined that Perfiles LM, S.A. de C.V. is the successor-in-interest to Perfiles y Herrajes, S.A. de C.V.).

For entries of subject merchandise during the POR produced by each respondent for which it did not know its merchandise was destined for the United States, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.

We intend to issue liquidation instructions to CBP 41 days after publication of the final results of this review.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the notice of final results of administrative review for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication, as provided by section 751(a)(2) of the Act: (1) The cash deposit rate for the respondents noted above will be the rate established in the final results of this administrative review; (2) for merchandise exported by manufacturers or exporters not covered in this administrative review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding; (3) if the exporter is not a firm covered in this review, a prior review, or the original investigation, but the producer is, the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the producer of the subject merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 3.76 percent, the all-others rate established in the investigation.⁸ These cash deposit requirements, when imposed, shall remain in effect until further notice.

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during the POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties
