

on the affected public, an explanation of the necessity of the Collection, and other important information describing the Collection. There is one ICR for each Collection.

The Coast Guard invites comments on whether this ICR should be granted based on the Collection being necessary for the proper performance of Departmental functions. In particular, the Coast Guard would appreciate comments addressing: (1) The practical utility of the Collection; (2) the accuracy of the estimated burden of the Collection; (3) ways to enhance the quality, utility, and clarity of information subject to the Collection; and (4) ways to minimize the burden of the Collection on respondents, including the use of automated collection techniques or other forms of information technology. Consistent with the requirements of Executive Order 13771, Reducing Regulation and Controlling Regulatory Costs, and Executive Order 13777, Enforcing the Regulatory Reform Agenda, the Coast Guard is also requesting comments on the extent to which this request for information could be modified to reduce the burden on respondents. In response to your comments, we may revise this ICR or decide not to seek reinstatement of the Collection. We will consider all comments and material received during the comment period.

We encourage you to respond to this request by submitting comments and related materials. Comments must contain the OMB Control Number of the ICR and the docket number of this request, [USCG–2019–0259], and must be received by July 2, 2019.

Information Collection Request

Title: Certificates of Financial Responsibility under the Oil Pollution Act of 1990.

OMB Control Number: 1625–0046.

Summary: The information collection requirements described in this supporting statement are necessary to provide evidence of a respondent's ability to pay for removal costs and damages associated with discharges of hazardous material or oil into the navigable waters, adjoining shorelines or the exclusive economic zone of the United States. The requirements are imposed generally on operators and financial guarantors of vessels over 300 gross tons.

Need: If the requested information is not collected, the Coast Guard will be unable to comply with the provisions of OPA and CERCLA to ensure that responsible parties have the ability to pay for cleanup costs and damages when there is an oil or hazardous material spill or threat of a spill.

Legal Authority: Section 1002 of OPA 90, as limited by section 1004(a), or section 107(a)(1) of CERCLA.

Forms: CG–5585, Application for Vessel Certificate of Financial Responsibility (Water Pollution); CG–5586, Insurance Guaranty; CG–5586–1, Master Insurance Guaranty; CG–5586–2, Surety Bond Guaranty; CG–5586–3, Financial Guaranty; and CG–5586–4, Master Financial Guaranty.

Respondents: Vessel operators and approved insurers.

Frequency: Annually, to include collection of information on a three year cycle.

Hour Burden Estimate: The estimated annual burden remains 3,400 hours a year.

Authority: The Paperwork Reduction Act of 1995; 44 U.S.C. chapter 35, as amended.

Dated: April 29, 2019.

James D. Roppel,

U.S. Coast Guard, Chief, Office of Information Management.

SUPPLEMENTARY INFORMATION:

Public Participation and Request for Comments

This notice relies on the authority of the Paperwork Reduction Act of 1995; 44 U.S.C. chapter 35, as amended. An ICR is an application to OIRA seeking the approval, extension, or renewal of a Coast Guard collection of information (Collection). The ICR contains information describing the Collection's purpose, the Collection's likely burden

on the affected public, an explanation of the necessity of the Collection, and other important information describing the Collection. There is one ICR for each Collection.

The Coast Guard invites comments on whether this ICR should be granted based on the Collection being necessary for the proper performance of Departmental functions. In particular, the Coast Guard would appreciate comments addressing: (1) The practical utility of the Collection; (2) the accuracy of the estimated burden of the Collection; (3) ways to enhance the quality, utility, and clarity of information subject to the Collection; and (4) ways to minimize the burden of the Collection on respondents, including the use of automated collection techniques or other forms of information technology. Consistent with the requirements of Executive Order 13771, Reducing Regulation and Controlling Regulatory Costs, and Executive Order 13777, Enforcing the Regulatory Reform Agenda, the Coast Guard is also requesting comments on the extent to which this request for information could be modified to reduce the burden on respondents. In response to your comments, we may revise this ICR or decide not to seek an extension of approval for the Collection. We will consider all comments and material received during the comment period.

We encourage you to respond to this request by submitting comments and related materials. Comments must contain the OMB Control Number of the ICR and the docket number of this request, [USCG–2019–0256], and must be received by July 2, 2019.

Information Collection Request

Title: Offshore Supply Vessels—Title 46 CFR subchapter L.

OMB Control Number: 1625–0065.

Summary: Title 46 U.S.C. 3305 and 3306 authorizes the Coast Guard to prescribe safety regulations. Title 46 CFR subchapter L promulgates marine safety regulations for offshore supply vessels (OSV).

Need: The OSV posting/marketing requirements are needed to provide instructions to those onboard of actions to be taken in the event of an emergency. The reporting/recordkeeping requirements verify compliance with regulations without Coast Guard presence to witness routine matters, including OSVs based overseas as an alternative to Coast Guard inspection.

Forms: None.

Respondents: Owners and operators of vessels.

Frequency: On occasion.

Hour Burden Estimate: The estimated burden has decreased from 2,368 hours to 1,230 hours a year, due to a decrease in the estimated annual number of respondents.

Authority: The Paperwork Reduction Act of 1995; 44 U.S.C. chapter 35, as amended.

Dated: April 29, 2019.

James D. Roppel,

U.S. Coast Guard, Chief, Office of Information Management.
