#### Multilayered Wood Flooring From the People's Republic of China; Final Results of Antidumping Duty New Shipper Review; 2014-2015

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The Department of Commerce (Commerce) has conducted a new shipper review (NSR) of the antidumping duty order on multilayered wood flooring (MLWF) from the People's Republic of China (China). We have determined that Huzhou Muyun Wood Co., Ltd., (Muyun) has failed to demonstrate its qualification for a separate rate and is, therefore, subject to the China-wide entity rate, which is not under review in this period. The period of review (POR) is December 1, 2014, through May 31, 2015.

**DATES:** Applicable May 14, 2019.

#### SUPPLEMENTARY INFORMATION:

##### Background

On July 29, 2015, Commerce initiated this NSR for Muyun in order to determine whether imports into the United States of multilayered wood flooring from China are being sold below normal value.<sup>1</sup> On October 26, 2016, Commerce published the final rescission of Muyun's NSR, due to the determination that Muyun's sale was non-*bona fide*.<sup>2</sup> On December 11, 2017, the Court of International Trade (CIT) remanded Commerce's determination, holding that the conclusion that Muyun's sale was non-*bona fide* was not supported by substantial evidence.<sup>3</sup> On March 6, 2018, Commerce released its final results of redetermination pursuant to court order, continuing to find that

Muyun's sale was non-*bona fide*.<sup>4</sup> On July 16, 2018, the CIT issued a final judgement that Commerce's ultimate conclusion was not supported by substantial evidence, that the rescission of the NSR could not be upheld, and instructed Commerce to proceed with Muyun's NSR.<sup>5</sup> On August 16, 2018 Commerce published its notification to the public that the final judgement in this case is not in harmony with the final rescission.<sup>6</sup>

On October 19, 2018, Commerce notified interested parties that a new segment of the proceeding regarding Muyun's NSR had been created.<sup>7</sup> On November 5, 2018, Commerce released its timeline for the instant proceeding, including the date of verification.<sup>8</sup> Commerce published its *Preliminary Results* on December 21, 2018.<sup>9</sup> On January 29, 2019, Commerce exercised its discretion to toll all deadlines affected by the partial federal government closure from December 22, 2018, through the resumption of operations on January 29, 2019.<sup>10</sup> On February 25, 2019, Muyun notified Commerce it would not be participating in the scheduled verification.<sup>11</sup>

### Analysis of Comments Received

No parties submitted comments.

### Changes Since the *Preliminary Results*

We find that Muyun has failed to demonstrate its qualification for a separate rate.

Determination of Huzhou Muyun Wood Co., Ltd. Antidumping Duty New Shipper Review, 2014–2015: Multilayered Wood Flooring from the People's Republic of China," dated concurrently (IDM) for a full description of the scope of the order.

### Results of New Shipper Review

In the *Preliminary Results*, Commerce determined that Muyun was eligible for a separate rate, through evidence of absence of both *de jure* and *de facto* government control over export activities, and calculated a 0.00 percent weighted-average dumping margin.<sup>13</sup> However, Muyun subsequently notified Commerce that it would not be participating in Commerce's scheduled verification, rendering Muyun's responses unreliable and unverifiable.<sup>14</sup> Accordingly, for these final results of review, we have determined that Muyun has failed to demonstrate its qualification for a separate rate and, thus, is part of the China-wide entity.

For further discussion of the issues addressed in this proceeding, see the IDM.<sup>15</sup> The IDM is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov> and in the Central Records Unit, room B8024 of the main Department of Commerce building. In addition, a complete version of the IDM can be accessed directly on the internet at <http://enforcement.trade.gov/frn/index.html>. The signed and the electronic versions of the IDM are identical in content. A list of the topics addressed in the IDM is contained in the Appendix to this notice.

### Assessment Rates

Pursuant to section 751(a)(2)(C) of the Act, and 19 CFR 351.212(b), Commerce has determined, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the final results of this review. Commerce intends to issue assessment instructions to CBP 15 days after the publication date of the final results of this review. We intend to instruct CBP to liquidate POR entries of subject merchandise exported by Muyun at the China-wide entity rate, which is 25.62 percent.

#### Notification to Importers

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

#### Notification Regarding APO

This notice also serves as a reminder to the parties subject to administrative protective order (APO) of their responsibility concerning the disposition of business proprietary information (BPI) disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern BPI in this segment of the proceeding. Timely notification of return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

We are issuing and publishing these results in accordance with sections 751(a)(2)(B) and 777(i)(1) of the Act and 19 CFR 351.214.
