

vessels carrying liquefied hazardous gas (LHG) during transits entering or departing the Port of Key West, Florida. A moving security zone is activated when the subject vessel passes Key West Entrance Lighted Whistle Buoy KW, at approximate position 24°27'26" N, 081°48'00" W. This moving security zone remains active whenever a passenger vessel, vessels carrying cargoes of particular hazard, or vessels carrying LHG is underway westward of the above mentioned buoys. Fixed security zones are established 100 yards around all passenger vessels, vessels carrying cargoes of particular hazard, or vessels carrying LHG, while the vessel is moored in the Port of Key West, Florida.

(c) *Regulations.* (1) Prior to commencing any movement, the person directing the movement of a passenger vessel, a vessel carrying cargoes of particular hazard, or a vessel carrying LHG, is encouraged to make a security broadcast on VHF Marine Band Radio, Channel 16 (156.8 MHz) to advise mariners of the moving security zone activation and intended transit.

(2) In accordance with the general regulations Section 165.33 of this part, entry into these zones is prohibited except as authorized by the Captain of the Port of Key West or a designated representative. Vessels such as pilot boats, tug boats, and contracted security vessels may assist the Coast Guard Captain of the Port by monitoring these zones strictly to advise mariners of the restrictions. The Captain of the Port will notify the public of the security zone via signs or by Marine Safety Radio Broadcasts on VHF Marine Band Radio, Channel 16 (156.8 MHz) when applicable.

(3) Persons and vessels desiring to enter in, transit through, anchor in, or remain within the fixed or moving security zones may contact the Captain of the Port Key West at (305) 292-8727 or on VHF Marine Band Radio Channel 16 (156.8 MHz) to seek permission to transit the area. If permission is granted, all persons and vessels must comply with the instructions of the Captain of the Port or the designated representative.

(4) The Captain of the Port Key West may waive any of the requirements of this subpart for any vessel upon finding that the vessel or class of vessel, operational conditions, or other circumstances are such that application of this subpart is unnecessary or impractical for the purpose of port security, safety, or environmental safety.

Dated: February 4, 2019.

P.J. Brown,

*Rear Admiral, U.S. Coast Guard, Commander,
Seventh Coast Guard District.*

Revised Definition of "Waters of the United States"

AGENCY: Department of the Army; Environmental Protection Agency (EPA).

ACTION: Notice of public hearing.

SUMMARY: On December 11, 2018, the Environmental Protection Agency and the U.S. Department of the Army (the agencies) signed a proposed rule revising the definition of "waters of the United States" to clarify the scope of waters federally regulated under the Clean Water Act. The agencies are announcing that a public hearing will be held in Kansas City, Kansas on February 27 and 28, 2019, to provide interested parties the opportunity to present data, views, or information concerning the proposed rule. The pre-publication version of this proposal can be found at <https://www.epa.gov/wotus-rule/step-two-revise>.

DATES: The agencies will hold a public hearing on Wednesday, February 27 and Thursday, February 28, 2019, in Kansas City, Kansas. Please refer to the **SUPPLEMENTARY INFORMATION** section for additional information on the public hearing.

ADDRESSES: The hearing will be held in the Wyandotte Ballroom of the Reardon Convention Center, 520 Minnesota Avenue, Kansas City, Kansas 66101. The Wednesday session will convene at 4:00 p.m. (local time) and will conclude no later than 8:00 p.m. and the Thursday session will convene at 9:00 a.m. and will conclude no later than 12:00 p.m.

A complete set of documents related to the proposal will be available for public inspection through the Federal

eRulemaking Portal: <http://www.regulations.gov>, Docket ID No. EPA-HQ-OW-2018-0149 once the notice of proposed rulemaking publishes in the **Federal Register**. Documents can also be viewed at the Environmental Protection Agency Docket Center, located at 1301 Constitution Avenue NW, Room 3334, Washington, DC between 8:30 a.m. and 4:30 p.m., Monday through Friday, excluding legal holidays. In addition, the pre-publication version of the notice of proposed rule, the economic analysis for the proposed rule, and the resource and programmatic assessment for the proposed rule are available at <https://www.epa.gov/wotus-rule/step-two-revise>.

If you are unable to attend the public hearing you will be able to submit your comments, identified by Docket ID No. EPA-HQ-OW-2018-0149, to the *Federal eRulemaking Portal*: <http://www.regulations.gov> (our preferred method). Follow the online instructions for submitting comments. All submissions received must include the Docket ID No. for this rulemaking. Comments received may be posted without change to <https://www.regulations.gov/>, including any personal information provided. For additional information on the public hearing, see the "Public Participation" heading of the **SUPPLEMENTARY INFORMATION** section of this document.

SUPPLEMENTARY INFORMATION:

I. Background

On December 11, 2018, the agencies signed a proposed rule defining the scope of waters federally regulated under the Clean Water Act, in light of the U.S. Supreme Court cases in *United States v. Riverside Bayview Homes*, *Solid Waste Agency of Northern Cook County v. United States*, and *Rapanos v. United States*, and consistent with Executive Order 13778, signed on February 28, 2017, entitled "Restoring the Rule of Law, Federalism, and Economic Growth by Reviewing the 'Waters of the United States' Rule." The agencies are holding a public hearing in Kansas City, Kansas on February 27 and

28, 2019, to provide interested parties the opportunity to present data, views, or information concerning the proposed rule. The agencies have submitted the proposed rule to the Office of the Federal Register, and it will be published separately in the **Federal Register**. The comment period on the proposed action will end 60 days after the notice of proposed rulemaking publishes in the **Federal Register**. The pre-publication version of the proposed rule can be found at <https://www.epa.gov/wotus-rule/step-two-revise> and will be replaced with the official version of the notice after it publishes.

II. Public Participation

A. Participation in Public Hearing

The public is invited to speak during the public hearing on February 27 and 28, 2019. The agencies will begin pre-registering speakers for the hearing upon signature of this document. Those interested in speaking at the hearing can sign up for a three-minute speaking slot within an identified 45-minute timeframe. To register to speak at the hearing, please use the online registration form available at <https://www.epa.gov/wotus-rule/proposed-revised-definition-wotus-public-hearing>. The last day to pre-register to speak at the hearing will be February 21, 2019. On February 26, 2019, the agencies will post a general agenda for the hearing that will list pre-registered speakers in approximate order at: <https://www.epa.gov/wotus-rule/proposed-revised-definition-wotus-public-hearing>.

The agencies will make every effort to follow the schedule as closely as possible on the day of the hearing; however, please plan for the hearings to run either ahead of schedule or behind schedule. Additionally, requests to speak will be taken the day of the hearing at the hearing registration desk. The agencies will make every effort to accommodate all speakers who arrive and register, although preferences on speaking times may not be available.

Each commenter will have three minutes to provide oral testimony. The agencies encourage commenters to provide the agencies with a copy of their oral testimony electronically (via email) or in hard copy form.

The agencies may ask clarifying questions during the oral presentations but will not respond to the presentations at that time. Written statements and supporting information submitted during the comment period will be considered with the same weight as oral comments and supporting information presented at the public hearing. Written comments must be

received by the last day of the comment period, as specified in the notice of proposed rulemaking. Verbatim transcripts of the hearing and written statements will be included in the docket for the rulemaking.

Please note that any updates made to any aspect of the hearing will be posted online at <https://www.epa.gov/wotus-rule/proposed-revised-definition-wotus-public-hearing>. While the agencies expect the hearing to go forward as set forth above, please monitor our website for any updates. The agencies do not intend to publish a document in the **Federal Register** announcing updates.

The agencies will not provide audiovisual equipment for presentations. Any media presentations should be submitted to the public docket at <https://www.regulations.gov/>, identified by Docket ID No. EPA-HQ-OW-2018-0149. A sign language interpreter will be available for the hearing. If you require the service of a translator or other special accommodations such as audio description, please pre-register for the hearing and describe your needs by February 20, 2019. We may not be able to arrange accommodations without advanced notice.
