SUPPLEMENTARY INFORMATION:

Background.—On January 23, 2018, the President, pursuant to section 203 of the Trade Act of 1974 (19 U.S.C. 2253) (Trade Act), issued Proclamation 9694, imposing a safeguard measure on imports of certain large residential washers and parts thereof in the form of tariff-rate quotas. The proclamation was published in the **Federal Register** on January 25, 2018 (83 FR 3553). The measure took effect on February 7, 2018, for a period of three years and one day, or through February 7, 2021. The President imposed the measure following receipt of a report from the Commission in December 2017 under section 202 of the Trade Act (19 U.S.C. 2252) that contained an affirmative determination, remedy recommendations, and certain additional findings (see Large Residential Washers, investigation No. TA-201-076, USITC Publication 4745, December 2017).

Section 204(a)(1) of the Trade Act (19 U.S.C. 2254(a)(1)) requires the Commission to monitor developments with respect to the domestic industry, including the progress and specific efforts made by workers and firms in the domestic industry to make a positive adjustment to import competition, as long as any action under section 203 of the Trade Act remains in effect. Whenever the initial period of such an action exceeds 3 years, section 204(a)(2) requires the Commission to submit a report on the results of the monitoring to the President and the Congress no later than the mid-point of the initial period of the relief—in this case by August 7, 2019. Section 204(a)(3) requires the Commission to hold a hearing in the course of preparing each such report.

For further information concerning the conduct of this investigation, hearing procedures, and rules of general application, consult the Commission's Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 206, subparts A and F (19 CFR part 206).

Participation in the investigation and service list.—Persons wishing to participate in the investigation as parties must file an entry of appearance with the Secretary to the Commission, as provided in section 201.11 of the Commission's rules, not later than 21 days after publication of this notice in

the **Federal Register**. The Secretary will prepare a service list containing the names and addresses of all persons, or their representatives, who are parties to this investigation upon the expiration of the period for filing entries of appearance.

Limited disclosure of confidential business information (CBI).—Pursuant to section 206.17 of the Commission's rules, the Secretary will make CBI gathered in this investigation available to authorized applicants representing interested parties (as defined in 19 CFR 206.17(a)(3)(iii)) under an administrative protective order (APO) issued in the investigation, provided that the application is made not later than 21 days after the publication of this notice in the **Federal Register**. A separate service list will be maintained by the Secretary for those parties authorized to receive CBI under the APO.

The Commission may include CBI in the report it sends to the President and to the U.S. Trade Representative. Additionally, all information, including CBI, submitted in this investigation may be disclosed to and used by (i) the Commission, its employees and Offices, and contract personnel (a) for developing or maintaining the records of this or a related proceeding, or (b) in internal investigations, audits, reviews, and evaluations relating to the programs, personnel, and operations of the Commission including under 5 U.S.C. Appendix 3; or (ii) by U.S. government employees and contract personnel for cybersecurity purposes.

The Commission will not release information which the Commission considers to be confidential business information unless the party submitting the confidential business information had notice, at the time of submission, that such information would be released by the Commission, or such party subsequently consents to the release of the information. The Commission will not otherwise disclose any CBI in a manner that would reveal the operations of the firm supplying the information.

Public hearing.—As required by statute, the Commission has scheduled a hearing in connection with this investigation. The hearing will be held beginning at 9:30 a.m. on June 25, 2019, at the U.S. International Trade Commission Building, 500 E Street SW, Washington, DC. Requests to appear at the hearing should be filed in writing with the Secretary to the Commission on or before June 14, 2019. All persons desiring to appear at the hearing and make an oral presentation should participate in a prehearing conference to be held on June 21, 2019 at the U.S.

International Trade Commission Building, if deemed necessary. Oral testimony and written materials to be submitted at the hearing are governed by sections 201.6(b)(2), and 201.13(f) of the Commission's rules. Parties must submit any request to present a portion of their hearing testimony *in camera* no later than 7 days prior to the date of the hearing.

Written submissions.—Each party is encouraged to submit a prehearing brief to the Commission. The deadline for filing prehearing briefs is June 14, 2019. Parties may also file posthearing briefs. The deadline for filing posthearing briefs is July 2, 2019. In addition, any person who has not entered an appearance as a party to the investigation may submit, on or before July 2, 2019, a written statement concerning the matters to be addressed in the Commission's report to the President. All written submissions must conform with the provisions of section 201.8 of the Commission's rules; any submissions that contain CBI must also conform with the requirements of section 201.6 of the Commission's rules. Any CBI that is provided will be subject to limited disclosure under the APO (see above) and may be included in the report that the Commission sends to the President and the U.S. Trade Representative. The Commission's *Handbook on E-Filing*, available on the Commission's website at https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf, elaborates upon the Commission's rules with respect to electronic filing.

Additional written submissions to the Commission, including requests pursuant to section 201.12 of the Commission's rules, will not be accepted unless good cause is shown for accepting such submissions, or unless the submission is pursuant to a specific request by a Commissioner or Commission staff.

In accordance with section 201.16(c) of the Commission's rules, each document filed by a party to the investigation must be served on all other parties to the investigation (as identified by the service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Authority: This investigation is being conducted under the authority of section 204(a) of the Trade Act of 1974; this notice is published pursuant to section 206.3 of the Commission's rules.

By order of the Commission.

Issued: February 19, 2019.
