Background: The 2019 annual services trade report will provide aggregate data on cross-border trade in services for 2017 and affiliate transactions in services for 2016, and more specific data and information on trade in distribution services (logistics, maritime trade, and retail services). Under Commission Investigation No. 332–345, the Commission publishes two annual reports, one on services trade (Recent Trends in U.S. Services Trade), and a second on merchandise trade (Shifts in U.S. Merchandise Trade). The Commission's 2018 annual report in the series of reports on Recent Trends in U.S. Services Trade is now available online at <https://www.usitc.gov>.

The initial notice of institution of this investigation was published in the **Federal Register** on September 8, 1993 (58 FR 47287) and provided for what is now the report on merchandise trade. The Commission expanded the scope of the investigation to cover services trade in a separate report, which it announced in a notice published in the **Federal Register** on December 28, 1994 (59 FR 66974). The separate report on services trade has been published annually since 1996, except in 2005. As in past years, the report will summarize trade in services in the aggregate and provide analyses of trends and developments in selected services industries during the latest period for which data are published by the U.S. Department of Commerce, Bureau of Economic Analysis.

Written Submissions: The Commission invites interested parties to submit written statements concerning its 2019 report. For the 2019 report, the Commission is particularly interested in receiving information relating to trade in distribution services (logistics, maritime trade, and retail services). All written submissions should be addressed to the Secretary, and should be received no later than 5:15 p.m., April 1, 2019. All written submissions

In the event that confidential treatment of a document is requested, interested parties must file, at the same time as the eight paper copies, at least four (4) additional true paper copies in which the confidential information must be deleted (see the paragraph below for further information regarding confidential business information or "CBI"). Persons with questions regarding electronic filing should contact the Office of the Secretary, Docket Services Division (202–205–1802).

Confidential Business Information: Any submissions that contain confidential business information (CBI) must also conform with the requirements in section 201.6 of the Commission's Rules of Practice and Procedure (19 CFR 201.6). All written submissions, except for confidential business information, will be made available for inspection by interested parties.

The Commission intends to prepare only a public report in this investigation. The report that the Commission makes available to the public will not contain confidential business information. However, all information, including confidential business information, submitted in this investigation may be disclosed to and used: (i) By the Commission, its employees and Offices, and contract personnel (a) for developing or maintaining the records of this or a related proceeding, or (b) in internal investigations, audits, reviews, and evaluations relating to the programs, personnel, and operations of the Commission including under 5 U.S.C.
