

§ 76.1714

the television signal delivered. Aggregate data based upon these complaints shall be made available for inspection by the Commission and franchising authorities, upon request. These records shall be maintained for at least a one-year period.

NOTE 1 TO § 76.1713: Prior to being referred to the Commission, complaints from subscribers about the quality of the television signal delivered must be referred to the local franchising authority and the cable system operator.

§ 76.1714 FCC rules and regulations.

(a) The operator of a cable television system shall have a current copy of part 76 and, if subject to the Emergency Alert System (EAS) rules contained in part 11 of this chapter, an EAS Operating Handbook, and is expected to be familiar with the rules governing cable television systems and the EAS. Copies of the Commission's rules may be obtained from the Superintendent of Documents, Government Printing Office, Washington, DC 20402, at nominal cost. Copies of the EAS Operating Handbook may be obtained from the Commission's EAS staff, in Washington, DC.

(b) The provisions of paragraph (a) of this section are not applicable to any cable television system serving fewer than 1000 subscribers.

(c) The licensee of a cable television relay station (CARS) shall have a current copy of part 78 of this chapter, and, in cases where aeronautical obstruction markings of antennas is required, part 17 of this chapter shall be available for use by the operator in charge. Both the licensee and the operator or operators responsible for the proper operation of the station are expected to be familiar with the rules governing cable television relay stations. Copies of the Commission's rules may be obtained from the Superintendent of Documents, Government Printing Office, Washington, DC 20402, at nominal cost.

§ 76.1715 Sponsorship identification.

Whenever sponsorship announcements are omitted pursuant to § 76.1615(f) of subpart T, the cable television system operator shall observe the following conditions:

47 CFR Ch. I (10–1–08 Edition)

(a) Maintain a list showing the name, address, and (where available) the telephone number of each advertiser;

(b) Make this list available to members of the public who have a legitimate interest in obtaining the information contained in the list.

§ 76.1716 Subscriber records and public inspection file.

The operator of a cable television system shall make the system, its public inspection file, and its records of subscribers available for inspection upon request by an authorized representative of the Commission at any reasonable hour.

§ 76.1717 Compliance with technical standards.

Each system operator shall be prepared to show, on request by an authorized representative of the Commission or the local franchising authority, that the system does, in fact, comply with the technical standards rules in part 76, subpart K.

Subpart V—Reports and Filings

SOURCE: 65 FR 53623, Sept. 5, 2000, unless otherwise noted.

§ 76.1800 Additional reports and filings.

In addition to the reports and filings required by this subpart, cable operators must provide all notifications which are required by § 1.1155 of this chapter (annual regulatory user fees). In addition, all cable systems subject to rate regulation must file FCC rate forms pursuant to the Commission's rate rules contained in subparts N and R of this part.

NOTE 1 TO § 76.1800: Cable operators are required by the Copyright Act to make semi-annual filings of Statements of Account with the Licensing Division of the Copyright Office, Library of Congress, Washington, DC 20557.

NOTE 2 TO § 76.1800: The Commission may require certain financial information to be submitted pursuant to Section 623(g) of the Communications Act, 47 U.S.C. 543(g).

§ 76.1801 Registration statement.

(a) A system community unit shall be authorized to commence operation

Federal Communications Commission

§ 76.1804

only after filing with the Commission the following information on FCC Form 322.

(1) The legal name of the operator, entity identification or social security number, and whether the operator is an individual, private association, partnership, or corporation. If the operator is a partnership, the legal name of the partner responsible for communications with the Commission shall be supplied;

(2) The assumed name (if any) used for doing business in the community;

(3) The mailing address, including zip code; e-mail address, if applicable; and telephone number to which communications are to be directed;

(4) The month and year the system began service to subscribers;

(5) The name of the community or area served and the county in which it is located;

(6) The television broadcast signals to be carried which previously have not been certified or registered; and

(7) The FCC Registration Number (FRN).

(b) Registration statements, FCC Form 322, shall be signed by the operator; by one of the partners, if the operator is a partnership; by an officer, if the operator is a corporation; by a member who is an officer, if the operator is an unincorporated association; or by any duly authorized employee of the operator.

(c) Registration statements, FCC Form 322, may be signed by the operator's attorney in case of the operator's physical disability or of his absence from the United States. The attorney shall in that event separately set forth the reasons why the registration statement was not signed by the operator. In addition, if any matter is stated on the basis of the attorney's belief only (rather than the attorney's knowledge), the attorney shall separately set forth the reasons for believing that such statements are true.

EFFECTIVE DATE NOTE: At 69 FR 34954, June 23, 2004, § 76.1802 was revised. This section contains information collection and record-keeping requirements and will not become effective until approval has been given by the Office of Management and Budget.

§ 76.1803 Signal leakage monitoring.

MVPDs subject to § 76.611 must submit the results of ground based measurements derived in accordance with § 76.611(a)(1) or airspace measurements derived in accordance with § 76.611(a)(2), including a description of the method by which compliance with basic signal leakage criteria is achieved and the method of calibrating the measurement equipment. This information shall be provided to the Commission each calendar year via FCC Form 320.

[68 FR 27003, May 19, 2003]

§ 76.1804 Aeronautical frequencies: leakage monitoring (CLI).

An MVPD shall notify the Commission before transmitting any carrier or other signal component with an average power level across a 25 kHz bandwidth in any 160 microsecond time period equal to or greater than 10^{-4} watts at any point in the cable distribution system on any new frequency or frequencies in the aeronautical radio frequency bands (108–137 and 225–400 MHz). The notification shall be made on FCC Form 321. Such notification shall include:

(a) Legal name and local address of the MVPD;

(b) The names and FCC identifiers (e.g., CA0001) of the system communities affected, for a cable system, and the name and FCC identifier (e.g., CAB901), for other MVPDs;

(c) The names and telephone numbers of local system officials who are responsible for compliance with §§ 76.610 through 76.616 and § 76.1803;
