

## § 76.1701

(e) *Reproduction of records.* Copies of any material in the public inspection file shall be available for machine reproduction upon request made in person, provided the requesting party shall pay the reasonable cost of reproduction. Requests for machine copies shall be fulfilled at a location specified by the system operator, within a reasonable period of time, which in no event shall be longer than seven days. The system operator is not required to honor requests made by mail but may do so if it chooses.

[65 FR 53621, Sept. 5, 2000, as amended at 66 FR 67117, Dec. 28, 2001; 67 FR 1650, Jan. 14, 2002]

## § 76.1701 Political file.

(a) Every cable television system shall keep and permit public inspection of a complete and orderly record (political file) of all requests for cablecast time made by or on behalf of a candidate for public office, together with an appropriate notation showing the disposition made by the system of such requests, and the charges made, if any, if the request is granted. The "disposition" includes the schedule of time purchased, when spots actually aired, the rates charged, and the classes of time purchased.

(b) When free time is provided for use by or on behalf of candidates, a record of the free time provided shall be placed in the political file.

(c) All records required by this paragraph shall be placed in the political file as soon as possible and shall be retained for a period of two years. As soon as possible means immediately absent unusual circumstances.

(d) Where origination cablecasting material is a political matter or matter involving the discussion of a controversial issue of public importance and a corporation, committee, association or other unincorporated group, or other entity is paying for or furnishing the matter, the system operator shall, in addition to making the announcement required by § 76.1616(a), require that a list of the chief executive officers or members of the executive committee or of the board of directors of the corporation, committee, association or other unincorporated group, or other entity shall be made available

for public inspection at the local office of the system. Such lists shall be kept and made available for a period of two years.

## § 76.1702 Equal employment opportunity.

(a) Every employment unit with six or more full-time employees shall maintain for public inspection a file containing copies of all EEO program annual reports filed with the Commission pursuant to § 76.77 and the equal employment opportunity program information described in paragraph (b) of this section. These materials shall be placed in the unit's public inspection file annually by the date that the unit's EEO program annual report is due to be filed and shall be retained for a period of five years. The file shall be maintained at the central office and at every location with six or more full-time employees. A headquarters employment unit file and a file containing a consolidated set of all documents pertaining to the other employment units of a multichannel video programming distributor that operates multiple units shall be maintained at the central office of the headquarters employment unit. The multichannel video programming distributor shall provide reasonable accommodation at these locations for undisturbed inspection of its equal employment opportunity records by members of the public during regular business hours.

(b) The following equal employment opportunity program information shall be included annually in the unit's public file, and on the unit's web site, if it has one, at the time of the filing of its FCC Form 396-C:

(1) A list of all full-time vacancies filled by the multichannel video programming distributor employment unit during the preceding year, identified by job title;

(2) For each such vacancy, the recruitment source(s) utilized to fill the vacancy (including, if applicable, organizations entitled to notification pursuant to § 76.75(b)(1)(ii) of this section, which should be separately identified), identified by name, address, contact person and telephone number;

### § 76.1703 Commercial records on children's programs.

Cable operators airing children's programming must maintain records sufficient to verify compliance with § 76.225 and make such records available to the public. Such records must be maintained for a period sufficient to cover the limitations period specified in 47 U.S.C. 503(b)(6)(B).

### § 76.1704 Proof-of-performance test data.

(a) The proof of performance tests required by § 76.601 shall be maintained on file at the operator's local business office for at least five years. The test data shall be made available for inspection by the Commission or the local franchiser, upon request.

(b) The provisions of paragraph (a) of this section shall not apply to any cable television system having fewer than 1,000 subscribers, subject to the requirements of § 76.601(d).

NOTE TO § 76.1704: If a signal leakage log is being used to meet proof of performance test recordkeeping requirements in accordance with § 76.601, such a log must be retained for the period specified in § 76.601(d).

### § 76.1705 Performance tests (channels delivered).

The operator of each cable television system shall maintain at its local office a current listing of the cable television channels which that system delivers to its subscribers.

### § 76.1706 Signal leakage logs and repair records.

Cable operators shall maintain a log showing the date and location of each

leakage source identified pursuant to § 76.614, the date on which the leakage was repaired, and the probable cause of the leakage. The log shall be kept on file for a period of two years and shall be made available to authorized representatives of the Commission upon request.

NOTE TO § 76.1705: If a signal leakage log is being used to meet proof of performance test recordkeeping requirements in accordance with § 76.601, such a log must be retained for the period specified in § 76.601(d).

### § 76.1707 Leased access.

If a cable operator adopts and enforces a written policy regarding indecent leased access programming pursuant to § 76.701, such a policy will be considered published pursuant to that rule by inclusion of the written policy in the operator's public inspection file.

### § 76.1708 Principal headend.

(a) The operator of every cable television system shall maintain for public inspection the designation and location of its principal headend. If an operator changes the designation of its principal headend, that new designation must be included in its public file.

(b) Such records must be maintained in accordance with the provisions of § 76.1700(b).

### § 76.1709 Availability of signals.

(a) Effective June 17, 1993, the operator of every cable television system shall maintain for public inspection a file containing a list of all broadcast television stations carried by its system in fulfillment of the must-carry requirements pursuant to § 76.56. Such list shall include the call sign, community of license, broadcast channel number, cable channel number, and in the case of a noncommercial educational broadcast station, whether that station was carried by the cable system on March 29, 1990.

(b) Such records must be maintained in accordance with the provisions of § 76.1700(b).

(c) A cable operator shall respond in writing within 30 days to any written request by any person for the identification of the signals carried on its system in fulfillment of the requirements of § 76.56.
