they may be readily identified and made available to representatives of the Commission.

§ 42.5 Preparation and preservation of reproductions of original records.

(a) Each carrier may use a retention medium of its choice to preserve records in lieu of original records, provided that they observe the requirements of paragraphs (b) and (c) of this section.

(b) A paper or microfilm record need not be created to satisfy the requirements of this part if the record is initially prepared in machine-readable medium such as punched cards, magnetic tapes, and disks. Each record kept in a machine-readable medium shall be accompanied by a statement clearly indicating the type of data included in the record and certifying that the information contained in it has been accurately duplicated. This statement shall be executed by a person duplicating the records. The records shall be indexed and retained in such a manner that they are easily accessible, and the carrier shall have the facilities available to locate, identify and reproduce the records in readable form without loss of clarity.

(c) Records may be retained on microfilm provided they meet the requirements of the Federal Business Records Act (28 U.S.C. 1732).

§ 42.6 Retention of telephone toll records.

Each carrier that offers or bills toll telephone service shall retain for a period of 18 months such records as are necessary to provide the following billing information about telephone toll calls: the name, address, and telephone number of the caller, telephone number called, date, time and length of the call. Each carrier shall retain this information for toll calls that it bills whether it is billing its own toll service customers for toll calls or billing customers for another carrier.

evant to complaint proceedings not already contained in the index of records should be added to the index as soon as a complaint is filed and retained until final disposition of the complaint. Records a carrier is directed to retain as the result of a proceeding or inquiry by the Commission to the extent not already contained in the index will also be added to the index and retained until final disposition of the proceeding or inquiry.

SPECIFIC INSTRUCTIONS FOR CARRIERS OFFERING INTEREXCHANGE SERVICES

§ 42.10 Public availability of information concerning interexchange services.

(a) A nondominant interexchange carrier (IXC) shall make available to any member of the public, in at least one location, during regular business hours, information concerning its current rates, terms and conditions for all of its international and interstate, domestic, interexchange services. Such information shall be made available in an easy to understand format and in a timely manner. Following an inquiry or complaint from the public concerning rates, terms and conditions for such services, a carrier shall specify that such information is available and the manner in which the public may obtain the information.

(b) In addition, a nondominant IXC that maintains an Internet website shall make such rate and service information specified in paragraph (a) of this section available on-line at its Internet website in a timely and easily accessible manner, and shall update this information regularly.
