

§ 43.51 Contracts and concessions.

(a)(1) Any communication common carrier described in paragraph (b) of this section must file with the Commission, within thirty (30) days of execution, a copy of each contract, agreement, concession, license, authorization, operating agreement or other arrangement to which it is a party and amendments thereto (collectively hereinafter referred to as “agreement” for purposes of this rule) with respect to the following:

(i) The exchange of services; and,
 (ii) The interchange or routing of traffic and matters concerning rates, accounting rates, division of tolls, or the basis of settlement of traffic balances, except as provided in paragraph (c) of this section.

(2) If the contract, agreement, concession, license, authorization, operating agreement or other arrangement and amendments thereto is made other than in writing, a certified statement covering all details thereof must be filed by at least one of the parties to the agreement. Each other party to the agreement which is also subject to these provisions may, in lieu of also filing a copy of the agreement, file a certified statement referencing the filed document. The Commission may, at any time and upon reasonable request, require any communication common carrier not subject to the provisions of this section to submit the documents referenced in this section.

(b) The following communication common carriers must comply with the requirements of paragraph (a) of this section:

(1) A carrier that is engaged in domestic communications and has not been classified as non-dominant pursuant to § 61.3 of this Chapter; or

(2) A carrier that is engaged in foreign communications and that has been classified as dominant for any service on any of the U.S.-international routes included in the contract, except for a carrier classified as dominant on a particular route due only to a foreign carrier affiliation under § 63.10 of this chapter.

(c) With respect to contracts coming within the scope of paragraph (a)(1)(ii) of this section between subject telephone carriers and connecting carriers,

except those contracts related to communications with foreign or overseas points, such documents shall not be filed with the Commission; but each subject telephone carrier shall maintain a copy of such contracts to which it is a party in appropriate files at a central location upon its premises, copies of which shall be readily accessible to Commission staff and members of the public upon reasonable request therefor; and upon request by the Commission, a subject telephone carrier shall promptly forward individual contracts to the Commission.

(d) Any U.S. carrier, other than a provider of commercial mobile radio services, that is engaged in foreign communications, and enters into an agreement with a foreign carrier, is subject to the Commission’s authority to require the U.S. carrier providing service on any U.S.-international routes to file, on an as-needed basis, a copy of each agreement to which it is a party.

NOTE 1 TO § 43.51: For purposes of this section, *affiliated* and *foreign carrier* are defined in § 63.09 of this chapter.

NOTE 2 TO § 43.51: To the extent that a foreign government provides telecommunications services directly through a governmental organization, body or agency, it shall be treated as a foreign carrier for the purposes of this section.

§ 43.62 Reporting requirements for holders of international Section 214 authorizations and providers of international services.

(a) *Circuit Capacity Reports*. Not later than March 31 of each year:

(1) *Satellite and Terrestrial Circuits*. Each facilities-based common carrier shall file a report showing its active common carrier circuits between the United States and any foreign point as of December 31 of the preceding calendar year in any terrestrial or satellite facility for the provision of service to an end user or resale carrier, which includes active circuits used by themselves or their affiliates. Each non-common carrier satellite licensee shall file a report showing its active circuits between the United States and any foreign point as of December 31 of

the preceding calendar sold or leased to any customer, including themselves or their affiliates, other than a carrier authorized by the Commission to provide U.S. international common carrier services.

(2) *International Submarine Cable Capacity*—(i) The licensee(s) of a submarine cable between the United States and any foreign point shall file a report showing the capacity of the submarine cable as of December 31 of the preceding calendar year. The licensee(s) shall also file a report showing the planned capacity of the submarine cable (the intended capacity of the submarine cable two years from December 31 of the preceding calendar year). Only one cable landing licensee shall file the capacity data for each submarine cable. For cables with more than one licensee, the licensees shall determine which licensee will file the reports.

(ii) Each cable landing licensee and common carrier shall file a report showing its capacity on submarine cables between the United States and any foreign point as of December 31 of the preceding calendar year.

(b) *Traffic and revenue reports.* (1) Not later than July 31 of each year, each person or entity that holds an authorization pursuant to section 214 to provide international telecommunications service shall report whether it provided international telecommunications services during the preceding calendar year.

(2) Not later than July 31 of each year, each common carrier engaged in providing international telecommunications service, and each person or entity engaged in providing Voice over Internet Protocol service connected to the public switched telephone network, between the United States and any foreign point shall file a report with the Commission showing revenues, pay-outs, and traffic for such international telecommunications service and Voice over Internet Protocol service connected to the public switched telephone network provided during the preceding calendar year.

(3) Entities filing such reports shall submit a revised report by October 31 identifying and correcting any inaccuracies included in the annual report

exceeding one percent of the reported figure.

NOTE TO PARAGRAPHS (a) AND (b): United States is defined in section 3 of the Communications Act of 1934, as amended, 47 U.S.C. 153.

(c)(1) A Registration Form, containing information about the filer, such as address, phone number, email address, etc., shall be filed with each report filed pursuant to paragraphs (a) and (b).

(2) The Registration Form shall include a certification enabling the filer to check a box to indicate that the filer requests that its circuit capacity data or traffic and revenue data be treated as confidential. If a filer checks that box, the Commission shall treat the data contained in the accompanying report as confidential. Upon receipt of a request for inspection of such information, the Commission shall notify the filer; at that point, the filer must justify continued confidentiality of the information consistent with section 0.459(b) of the Commission's rules.

(d) *Filing Manual.* Authority is delegated to the Chief, International Bureau to prepare instructions and reporting requirements for the filing of these reports prepared and published as a Filing Manual. The information required under this section shall be furnished in conformance with the instructions and reporting requirements in the Filing Manual.

NOTE TO PARAGRAPH (d): The instructions and reporting requirements prepared by the Chief, International Bureau, shall be consistent with the terms of Reporting Requirements for U.S. Providers of International Telecommunications Services; Amendment of Part 43 of the Commission's Rules, IB Docket No. 04-112, Second Report and Order, FCC 13-6 (rel. January 15, 2013).
