

## § 64.2501

## 47 CFR Ch. I (10–1–16 Edition)

### § 64.2501 Scope of limitation.

For the purposes of this subpart, a multiunit premises is any contiguous area under common ownership or control that contains two or more distinct units. A commercial multiunit premises is any multiunit premises that is predominantly used for non-residential purposes, including for-profit, non-profit, and governmental uses. A residential multiunit premises is any multiunit premises that is predominantly used for residential purposes.

[73 FR 28057, May 15, 2008]

### § 64.2502 Effect of state law or regulation.

This subpart shall not preempt any state law or state regulation that requires a governmental entity to enter into a contract or understanding with a common carrier which would restrict such governmental entity's right to obtain telecommunications service from another common carrier.

## Subpart AA—Universal Emergency Telephone Number

SOURCE: 67 FR 1649, Jan. 14, 2002, unless otherwise noted.

AUTHORITY: 47 U.S.C. 151, 154(i), 154(j), 157, 160, 210, 202, 208, 214, 251(e), 301, 303, 308, 309(j), and 310.

### § 64.3000 Definitions.

(a) *911 calls.* Any call initiated by an end user by dialing 911 for the purpose of accessing an emergency service provider. For wireless carriers, all 911 calls include those they are required to transmit pursuant to § 20.18 of the Commission's rules.

(b) *Appropriate local emergency authority.* An emergency answering point that has not been officially designated as a Public Safety Answering Point (PSAP), but has the capability of receiving 911 calls and either dispatching emergency services personnel or, if necessary, relaying the call to another emergency service provider. An appropriate local emergency authority may include, but is not limited to, an existing local law enforcement authority, such as the police, county sheriff, local emergency medical services provider, or fire department.

(c) *Public Safety Answering Point (PSAP).* A facility that has been designated to receive 911 calls and route them to emergency services personnel.

(d) *Statewide default answering point.* An emergency answering point designated by the State to receive 911 calls for either the entire State or those portions of the State not otherwise served by a local PSAP.

### § 64.3001 Obligation to transmit 911 calls.

All telecommunications carriers shall transmit all 911 calls to a PSAP, to a designated statewide default answering point, or to an appropriate local emergency authority as set forth in § 64.3002.

### § 64.3002 Transition to 911 as the universal emergency telephone number.

As of December 11, 2001, except where 911 is already established as the exclusive emergency number to reach a PSAP within a given jurisdiction, telecommunications carriers shall comply with the following transition periods:

(a) Where a PSAP has been designated, telecommunications carriers shall complete all translation and routing necessary to deliver 911 calls to a PSAP no later than September 11, 2002.

(b) Where no PSAP has been designated, telecommunications carriers shall complete all translation and routing necessary to deliver 911 calls to the statewide default answering point no later than September 11, 2002.

(c) Where neither a PSAP nor a statewide default answering point has been designated, telecommunications carriers shall complete the translation and routing necessary to deliver 911 calls to an appropriate local emergency authority, within nine months of a request by the State or locality.

(d) Where no PSAP nor statewide default answering point has been designated, and no appropriate local emergency authority has been selected by an authorized state or local entity, telecommunications carriers shall identify an appropriate local emergency authority, based on the exercise of reasonable judgment, and complete all translation and routing necessary to deliver 911 calls to such appropriate
