

**§ 202.3**

**47 CFR Ch. II (10–1–20 Edition)**

(3) The Secretary of State, in accordance with assigned responsibilities within the Diplomatic Telecommunications Service, shall plan for and provide, operate and maintain rapid, reliable and secure telecommunications services to those Federal entities represented at United States diplomatic missions and consular offices overseas. This responsibility shall include the provision and operation of domestic telecommunications in support of assigned national security and emergency preparedness responsibilities.

(4) The Secretary of Defense shall:

(i) Plan for and provide, operate and maintain telecommunications services and facilities adequate to support the National Command Authorities and to execute responsibilities assigned by Executive Order 12333, December 4, 1981 (46 FR 59941; 3 CFR, 1981 Comp., p. 200).

(ii) Ensure that the Director of the National Security Agency provides the technical support necessary to develop and maintain plans adequate to provide for the security and protection of national security and emergency preparedness telecommunications.

(iii) Provide protection for interstate or foreign communication as directed by the President when the public interest requires under section 706(b) of the Communications Act (47 U.S.C. 606(b)).

(iv) In consultation with the Secretary of Transportation, develop policy, plans and procedures adequate to enable a transfer of control over radio stations in the Aviation Service and aboard vessels in the Maritime Service to the Department of Defense during a national emergency pursuant to § 202.1(b)(3) of these regulations.

(5) The Attorney General shall, as necessary, review for legal sufficiency, including consistency with the anti-trust laws, all policies, plans or procedures developed pursuant to these regulations.

(6) The Director, Central Intelligence Agency, shall plan for and provide, operate and maintain telecommunications services adequate to support the Agency's assigned responsibilities, including the dissemination of intelligence within the Federal government.

(7) Except as otherwise assigned pursuant to these regulations, the Administrator of General Services shall en-

sure that Federally owned or managed domestic communications facilities and services meet the NS/EP requirements of Federal civilian departments, agencies and entities. The Administrator shall perform these responsibilities consistent with policy guidance of the Director of the Office of Management and Budget.

(8) The Secretary of the Interior shall develop and execute emergency plans with respect to the administration of telecommunications activities in the territorial and trusteeship areas under the jurisdiction of the United States and within the responsibility previously assigned to him by appropriate laws and other authority.

(9) The Federal Communications Commission, consistent with its statutory authority, shall:

(i) Review the policies, plans and procedures of all entities licensed or regulated by the Commission that are developed to provide national security and emergency preparedness telecommunications services to ensure that such policies, plans and procedures are consistent with the public interest, convenience and necessity.

(ii) Perform such functions as required by law with respect to all entities licensed or regulated by the Commission, including (but not limited to) the extension, discontinuance or reduction of common carrier facilities or services; the control of common carrier rates, charges, practices and classifications; the construction, authorization, activation, deactivation or closing of radio stations, services and facilities; the assignment of radio frequencies to Commission licensees; the investigation of violations of pertinent law and regulation; and the initiation of appropriate enforcement actions.

(iii) Develop policy, plans and procedures adequate to execute the responsibilities assigned pursuant to these regulations under all conditions of crisis or emergency.

(iv) Consult as appropriate with authorized officials of the NCS to ensure continued coordination of their respective NCS activities.

(10) The National Communications System (comprised of the Executive Agent for the NCS, the NCS Committee of Principals, and the Manager, NCS)
