upon request. Eligible telecommunications carriers must maintain the documentation required in §§ 54.404 (b)(11), 54.410(b), 54.410 (c), 54.410(d), and 54.410(f) for as long as the subscriber receives Lifeline service from that eligible telecommunications carrier, but for no less than the three full preceding calendar years.

(b) Prior to the effective date of the rules, if an eligible telecommunications carrier provides Lifeline discounted wholesale services to a reseller, it must obtain a certification from that reseller that it is complying with all Commission requirements governing the Lifeline and Tribal Link Up program. Beginning on the effective date of the rules, the eligible telecommunications carrier must retain the reseller certification for the three full preceding calendar years and provide that documentation to the Commission or Administrator upon request.

(c) Non-eligible telecommunications carrier resellers that purchased Lifeline discounted wholesale services to offer discounted services to low-income consumers prior to the effective date of the rules, must maintain records to document compliance with all Commission requirements governing the Lifeline and Tribal Link Up program for the three full preceding calendar years and provide that documentation to the Commission or Administrator upon request.

## § 54.420 Low income program audits.

(a) *Independent audit requirements for eligible telecommunications carriers.* Eligible telecommunications carriers identified by USAC must obtain a third-party biennial audit of their compliance with the rules in this subpart. Such engagements shall be agreed upon performance attestations to assess the company's overall compliance with the rules in this subpart and the company's internal controls regarding the regulatory requirements in this subpart.

(1) Eligible telecommunications carriers will be selected for audit based on risk-based criteria developed by USAC and approved by the Office of Managing Director and the Wireline Competition Bureau.

(2) The initial audit must be completed one year after the Commission issues a standardized audit plan outlining the scope of the engagement and the extent of compliance testing to be performed by third-party auditors and shall be conducted every two years thereafter, unless directed otherwise by the Commission. The following minimum requirements shall apply:

(i) The audit must be conducted by a licensed certified public accounting firm that is independent of the carrier.

(ii) The engagement shall be conducted consistent with government accounting standards (GAGAS).

(3) The certified public accounting firm shall submit to the Commission any rule interpretations necessary to complete the biennial audit, and the Administrator shall notify all firms subject to the biennial audit requirement of such requests. The audit issue will be noted, but not held as a negative finding, in future audit reports for all carriers subject to this requirement unless and until guidance has been provided by the Commission.

(4) Within 60 days after completion of the audit work, but prior to finalization of the report, the third party auditor shall submit a draft of the audit report to the Commission and the Administrator, who shall be deemed authorized users of such reports. Finalized audit reports must be provided to
