§ 54.519

the year in which the costs were incurred and the offset against the carrier's universal service obligation was applied.

[63 FR 67009, Dec. 4, 1998]

§ 54.516 Auditing and inspections.

(a) *Recordkeeping requirements*—(1) *Schools, libraries, and consortia.* Schools, libraries, and any consortium that includes schools or libraries shall retain all documents related to the application for, receipt, and delivery of supported services for at least 10 years after the latter of the last day of the applicable funding year or the service delivery deadline for the funding request. Any other document that demonstrates compliance with the statutory or regulatory requirements for the schools and libraries mechanism shall be retained as well. Schools, libraries, and consortia shall maintain asset and inventory records of equipment purchased as components of supported category two services sufficient to verify the actual location of such equipment for a period of 10 years after purchase.

(2) *Service providers.* Service providers shall retain documents related to the delivery of supported services for at least 10 years after the latter of the last day of the applicable funding year or the service delivery deadline for the funding request. Any other document that demonstrates compliance with the statutory or regulatory requirements for the schools and libraries mechanism shall be retained as well.

(b) *Production of records.* Schools, libraries, consortia, and service providers shall produce such records at the request of any representative (including any auditor) appointed by a state education department, the Administrator, the FCC, or any local, state or federal agency with jurisdiction over the entity.

(c) *Audits.* Schools, libraries, consortia, and service providers shall be subject to audits and other investigations to evaluate their compliance with the statutory and regulatory requirements for the schools and libraries universal service support mechanism, including those requirements pertaining to what services and products are purchased, what services and products are delivered, and how services and prod-

ucts are being used. Schools, libraries, and consortia receiving discounted services must provide consent before a service provider releases confidential information to the auditor, reviewer, or other representative.

(d) *Inspections.* Schools, libraries, consortia and service providers shall permit any representative (including any auditor) appointed by a state education department, the Administrator, the Commission or any local, state or federal agency with jurisdiction over the entity to enter their premises to conduct E-rate compliance inspections.

§§ 54.517–54.518 [Reserved]

§ 54.519 State telecommunications networks.

(a) *Telecommunications services.* State telecommunications networks may secure discounts under the universal service support mechanisms on supported telecommunications services (as described in § 54.502(a)) on behalf of eligible schools and libraries (as described in § 54.501) or consortia that include an eligible school or library. Such state telecommunications networks shall pass on such discounts to eligible schools and libraries and shall:

(1) Maintain records listing each eligible school and library and showing the basis for each eligibility determination;

(2) Maintain records demonstrating the discount amount to which each eligible school and library is entitled and the basis for such determination;

(3) Take reasonable steps to ensure that each eligible school or library receives a proportionate share of the shared services;

(4) Request that service providers apply the appropriate discount amounts on the portion of the supported services used by each school or library;

(5) Direct eligible schools and libraries to pay the discounted price; and

(6) Comply with the competitive bid requirements set forth in § 54.503.

(b) *Internet access and installation and maintenance of internal connections.* State telecommunications networks either may secure discounts on Internet

access and installation and maintenance of internal connections in the manner described in paragraph (a) of this section with regard to telecommunications, or shall be eligible, consistent with § 54.502(a), to receive universal service support for providing such services to eligible schools, libraries, and consortia including those entities.

[63 FR 2131, Jan. 13, 1998; 63 FR 33586, June 19, 1998, as amended at 75 FR 75415, Dec. 3, 2010]

§ 54.520 Children’s Internet Protection Act certifications required from recipients of discounts under the federal universal service support mechanism for schools and libraries.

(a) *Definitions.*

(1) *School.* For the purposes of the certification requirements of this rule, school means school, school board, school district, local education agency or other authority responsible for administration of a school.

(2) *Library.* For the purposes of the certification requirements of this rule, library means library, library board or authority responsible for administration of a library.

(3) *Billed entity.* Billed entity is defined in § 54.500. In the case of a consortium, the billed entity is the lead member of the consortium.

(4) *Statutory definitions.*

(i) The term “minor” means any individual who has not attained the age of 17 years.

(ii) The term “obscene” has the meaning given such term in 18 U.S.C. 1460.

(iii) The term “child pornography” has the meaning given such term in 18 U.S.C. 2256.

(iv) The term “harmful to minors” means any picture, image, graphic image file, or other visual depiction that—

(A) Taken as a whole and with respect to minors, appeals to a prurient interest in nudity, sex, or excretion;

(B) Depicts, describes, or represents, in a patently offensive way with respect to what is suitable for minors, an actual or simulated sexual act or sexual contact, actual or simulated normal or perverted sexual acts, or a lewd exhibition of the genitals; and

(C) Taken as a whole, lacks serious literary, artistic, political, or scientific value as to minors.

(v) The terms “sexual act” and “sexual contact” have the meanings given such terms in 18 U.S.C. 2246.

(vi) The term “technology protection measure” means a specific technology that blocks or filters Internet access to the material covered by a certification under paragraph (c) of this section.

(b) *Who is required to make certifications?* (1) A school or library that receives discounts for Internet access and internal connections services under the federal universal service support mechanism for schools and libraries, must make such certifications as described in paragraph (c) of this section. The certifications required and described in paragraph (c) of this section must be made in each funding year.

(2) Schools and libraries that only receive discounts for telecommunications services under the federal universal service support mechanism for schools and libraries are not subject to the requirements 47 U.S.C. 254(h) and (l), but must indicate, pursuant to the certification requirements in paragraph (c) of this section, that they only receive discounts for telecommunications services.

(c) *Certifications required under 47 U.S.C. 254(h) and (l)—(1) Schools.* The billed entity for a school that receives discounts for Internet access or internal connections must certify on FCC Form 486 that an Internet safety policy is being enforced. If the school is an eligible member of a consortium but is not the billed entity for the consortium, the school must certify instead on FCC Form 479 (“Certification to Consortium Leader of Compliance with the Children’s Internet Protection Act”) that an Internet safety policy is being enforced.

(i) The Internet safety policy adopted and enforced pursuant to 47 U.S.C. 254(h) must include a technology protection measure that protects against Internet access by both adults and minors to visual depictions that are obscene, child pornography, or, with respect to use of the computers by minors, harmful to minors. The school must enforce the operation of the technology protection measure during use
