

Federal Communications Commission

§ 64.1170

while a complaint based on the same set of facts is pending with a state commission.

[65 FR 47692, Aug. 3, 2000, as amended at 68 FR 19159, Apr. 18, 2003; 73 FR 13149, Mar. 12, 2008]

§ 64.1160 Absolution procedures where the subscriber has not paid charges.

(a) This section shall only apply after a subscriber has determined that an unauthorized change, as defined by § 64.1100(e), has occurred and the subscriber has not paid charges to the allegedly unauthorized carrier for service provided for 30 days, or a portion thereof, after the unauthorized change occurred.

(b) An allegedly unauthorized carrier shall remove all charges incurred for service provided during the first 30 days after the alleged unauthorized change occurred, as defined by § 64.1100(e), from a subscriber's bill upon notification that such unauthorized change is alleged to have occurred.

(c) An allegedly unauthorized carrier may challenge a subscriber's allegation that an unauthorized change, as defined by § 64.1100(e), occurred. An allegedly unauthorized carrier choosing to challenge such allegation shall immediately notify the complaining subscriber that: The complaining subscriber must file a complaint with a State commission that has opted to administer the FCC's rules, pursuant to § 64.1110, or the FCC within 30 days of either the date of removal of charges from the complaining subscriber's bill in accordance with paragraph (b) of this section, or the date the allegedly unauthorized carrier notifies the complaining subscriber of the requirements of this paragraph, whichever is later; and a failure to file such a complaint within this 30-day time period will result in the charges removed pursuant to paragraph (b) of this section being reinstated on the subscriber's bill and, consequently, the complaining subscriber will only be entitled to remedies for the alleged unauthorized change other than those provided for in § 64.1140(b)(1). No allegedly unauthorized carrier shall reinstate charges to a subscriber's bill pursuant to the provisions of this paragraph without first

providing such subscriber with a reasonable opportunity to demonstrate that the requisite complaint was timely filed within the 30-day period described in this paragraph.

(d) If the relevant governmental agency determines after reasonable investigation that an unauthorized change, as defined by § 64.1100(e), has occurred, an order shall be issued providing that the subscriber is entitled to absolution from the charges incurred during the first 30 days after the unauthorized carrier change occurred, and neither the authorized or unauthorized carrier may pursue any collection against the subscriber for those charges.

(e) The Federal Communications Commission will not adjudicate a complaint filed pursuant to §§ 1.719 or §§ 1.720–1.740 of this chapter, involving an alleged unauthorized change, as defined by § 64.1100(e), while a complaint based on the same set of facts is pending with a state commission.

(f) If the unauthorized carrier received payment from the subscriber for services provided after the first 30 days after the unauthorized change occurred, the obligations for payments and refunds provided for in § 64.1170 shall apply to those payments. If the relevant governmental agency determines after reasonable investigation that the carrier change was authorized, the carrier may re-bill the subscriber for charges incurred.

(g) When a LEC has assigned a subscriber to a carrier without authorization, and where the subscriber has not paid the unauthorized charges, the LEC shall switch the subscriber to the desired carrier at no cost to the subscriber, and shall also secure the removal of the unauthorized charges from the subscriber's bill in accordance with the procedures specified in paragraphs (a) through (f) of this section.
