

(e) *Certification period.* Certification granted under this section shall be for a period of five years. A program may apply for renewal of its certification by filing a new application at least one year prior to the expiration of the certification period. If a certified entity is replaced prior to the expiration of the certification period, the successor entity's certification will expire on the date that the replaced entity's certification would have expired.

(f) *Notification of substantive change.* A certified program shall notify the Commission within 60 days of any substantive change that bears directly on its ability to meet the qualifications necessary for certification under paragraph (c) of this section.

(g) *Relinquishment of certification.* A program wishing to relinquish its certification before its certification expires shall electronically provide written notice of its intent to do so to the NDBEDP Administrator and the TRS Fund Administrator at least 90 days in advance, explaining the reason for such relinquishment and providing its proposed departure date. After receiving such notice, the Commission shall take such steps as may be necessary, consistent with this subpart, to ensure continuity and effective oversight of the NDBEDP for the affected state.

(h) *Suspension or revocation of certification.* The Commission may suspend or revoke NDBEDP certification if, after notice and an opportunity to object, the Commission determines that an entity is no longer qualified for certification. Within 30 days after being notified of a proposed suspension or revocation of certification, the reason therefor, and the applicable suspension or revocation procedures, a certified entity may present written arguments and any relevant documentation as to why suspension or revocation of certification is not warranted. Failure to respond to a notice of suspension or revocation within 30 days may result in automatic suspension or revocation of certification. A suspension of certification will remain in effect until the expiration date, if any, or until the fulfillment of conditions stated in a suspension decision. A revocation will be effective for the remaining portion of the current certification period. In the

event of suspension or revocation, the Commission shall take such steps as may be necessary, consistent with this subpart, to ensure continuity and effective oversight of the NDBEDP for the affected state.

(i) [Reserved]

(j) *Certification transitions.* When a new entity is certified as a state's program, the previously certified entity shall:

(i) Transfer to the new entity all NDBEDP data, records, and information for the previous five years, and any Equipment remaining in inventory;

(3) Take all other steps reasonably necessary to ensure an orderly transfer of responsibilities and uninterrupted functioning of the state program.

§ 64.6209 Eligibility criteria.

Before providing Equipment or related services to an individual, a certified program shall verify the individual's eligibility in accordance with this section.

(a) *Verification of disability.* A certified program shall require an individual applying for Equipment and related services to provide verification of disability in accordance with paragraph (a)(1) or (2) of this section.

(1) The individual may provide an attestation from a professional with direct knowledge of the individual's disability, either to the best of the professional's knowledge or under penalty of

perjury, that the applicant is deaf-blind (as defined in §64.6203(c) of this part). Such attestation shall include the attesting professional's full name, title, and contact information, including business name, address, phone number, and email address. Such attestation shall also include the basis of the attesting professional's knowledge that the individual is deaf-blind and may also include information about the individual's functional abilities to use Covered Services in various settings.

(2) The individual may provide existing documentation that the individual is deaf-blind, such as an individualized education program (IEP) or a Social Security determination letter.

(b) *Verification of income eligibility.* A certified program shall require an individual applying for Equipment and related services to provide verification that his or her income does not exceed 400 percent of the Federal Poverty Guidelines, as defined in 42 U.S.C. 9902(2), or that he or she is enrolled in a federal program with an income eligibility requirement that does not exceed 400 percent of the Federal Poverty Guidelines, such as Medicaid, Supplemental Nutrition Assistance Program, Supplemental Security Income, Federal Public Housing Assistance, or Veterans and Survivors Pension Benefit. The NDBEDP Administrator may identify state or other federal programs with income eligibility thresholds that do not exceed 400 percent of the Federal Poverty Guidelines for determining income eligibility for participation in the NDBEDP. When an applicant is not already enrolled in a qualifying low-income program, income eligibility may be verified by the certified program using appropriate and reasonable means.

(c) *Prohibition against requiring employment.* No certified program may require, for eligibility, that an applicant be employed or actively seeking employment.

(d) *Availability of Covered Services.* A certified program may require an equipment recipient to demonstrate, for eligibility, that a Covered Service that the Equipment is designed to use is available for use by the individual.

(e) *Age.* A certified program may not establish eligibility criteria that exclude low-income individuals who are deaf-blind of a certain age from applying for or receiving Equipment if the needs of such individuals are not being met through other available resources.

(f) *Reverification.* If an individual who has previously received equipment from a certified program applies to a certified program for additional Equipment or related services one year or more after the individual's income was last verified, the certified program shall re-verify an individual's income eligibility in accordance with paragraph (b) before providing new Equipment or related services. If a certified program has reason to believe that an individual's vision or hearing has improved sufficiently that the individual is no longer eligible for Equipment or related services, the certified program shall require reverification of the individual's disability in accordance with paragraph (a) before providing new Equipment or related services.

§ 64.6211 Equipment distribution and related services.
