### Subpart C—Terminal Equipment Approval Procedures

#### § 68.201 Connection to the public switched telephone network.

Terminal equipment may not be connected to the public switched telephone network unless it has either been certified by a Telecommunications Certification Body or the responsible party has followed all the procedures in this subpart for Supplier’s Declaration of Conformity.

[66 FR 7583, Jan. 24, 2001]

#### § 68.211 Terminal equipment approval revocation procedures.

(a) *Causes for revocation.* The Commission may revoke the interconnection authorization of terminal equipment, whether that authorization was acquired through certification by a Telecommunications Certification Body or through the Supplier’s Declaration of Conformity process in §§ 68.320 through 68.350 of this part, where:

(1) The equipment approval is shown to have been obtained by misrepresentation;

(2) The approved equipment is shown to cause harms to the public switched telephone network, as defined in § 68.3;

(3) The responsible party willfully or repeatedly fails to comply with the terms and conditions of its equipment approval; or

(4) The responsible party willfully or repeatedly fails to comply with any rule, regulation or order issued by the Commission under the Communications Act of 1934 relating to terminal equipment.

(b) *Notice of intent to revoke interconnection authority.* Before revoking interconnection authority under the provisions of this section, the Commission, or the Enforcement Bureau under delegated authority, will issue a written Notice of Intent to Revoke Part 68 Interconnection Authority, or a Joint Notice of Apparent Liability for Forfeiture and Notice of Intent to Revoke Part 68 Interconnection Authority pursuant to §§ 1.80 and 1.89 of this chapter.

(c) *Delivery.* The notice will be sent via certified mail to the responsible party for the terminal equipment at issue at the address provided to the Administrative Council for Terminal Attachments.

(d) *Reauthorization.* A product that has had its approval revoked may not be authorized for connection to the public switched telephone network for a period of six months from the date of revocation of the approval.

(e) *Reconsideration or appeal.* A responsible party of terminal equipment that has had its authorization revoked and/or that has been assessed a forfeiture may request reconsideration or make administrative appeal of the decision pursuant to part 1 of the Commission’s rules: Practice and Procedure, part 1 of this chapter.
