

§ 68.503

(1) Any consumer instructions required to be included with approved ACS telephonic CPE by the Administrative Council for Terminal Attachments;

(2) For ACS telephonic CPE that is not hearing aid compatible, as defined in § 68.316:

(i) Notice that FCC rules prohibit the use of that handset in certain locations; and

(ii) A list of such locations (*see* § 68.112).

(d) *Notice of revocation.* When approval is revoked for any item of equipment, the responsible party must take all reasonable steps to ensure that purchasers and users of such equipment are notified to discontinue use of such equipment.

§ 68.503 Complaint procedures.

The complaint procedures of §§ 68.414 through 68.423 shall apply to complaints regarding the hearing aid compatibility of ACS telephonic CPE.

§ 68.504 Administrative Council on Terminal Attachments.

The database registration and labeling provisions of §§ 68.354, 68.610, and 68.612 shall apply to ACS telephonic CPE that is approved as hearing aid compatible and is manufactured in or imported to the United States on or after February 28, 2020. After that date, the information required by the Administrative Council on Terminal Attachments shall be submitted within 30 days after the date that the equipment is manufactured in or imported into the United States.

fective date of these rules. The division of duties by which this responsibility is executed may be a matter of agreement between these two parties; however, both are jointly and severally responsible for observing these rule provisions. After four years from the effective date of these rules, and thereafter on a quadrennial basis, the Administrative Council for Terminal Attachments may vote by simple majority to be sponsored by any ANSI-accredited organization.

(b) The sponsoring organizations shall ensure that the Administrative Council for Terminal Attachments is populated in a manner consistent with the criteria of American National Standards Institute's Organization Method or the Standards Committee Method (and their successor Method or Methods as ANSI may from time to time establish) for a balanced and open membership.

(c) After the Administrative Council for Terminal Attachments is populated, the sponsors are responsible for fulfilling secretariat positions as determined by the Administrative Council for Terminal Attachments. The Administrative Council shall post on a publicly available web site and make available to the public in hard copy form the written agreement into which it enters with the sponsor or sponsors.

§ 68.604 Requirements for submitting technical criteria.

(a) Any standards development organization that is accredited under the American National Standards Institute's Organization Method or the Standards Committee Method (and their successor Method or Methods as ANSI may from time to time establish) may establish technical criteria for terminal equipment pursuant to ANSI consensus decision-making procedures, and it may submit such criteria to the Administrative Council for Terminal Attachments.

(b) Any ANSI-accredited standards development organization that develops standards for submission to the Administrative Council for Terminal Attachments must implement and use procedures for the development of
